ISSUE	PROGRAM / TITLE	DESCRIPTION	GUEST	DATE/TIME	DURATION
<p>The Essential Dairy Products for a Plant-Based Diet ----- April is the month for awareness for Autism ----- Support Caregivers</p>	<p>Florida Exclusivo</p>	<p>During the last years more Latinos have opted for a vegetarian diet. In fact, 6 percent of Hispanics in the United States identify themselves as vegetarians, according to a study by the National Health and Nutrition Examination Survey. Dairy products are essential for a plant-based diet, studies show that the incorporation of mimes provide essential nutrition and help to prevent disease. ----- Increasing Global Understanding and Acceptance. If you have concerns of Autism, get your child screened and contact your healthcare provider ----- Across the country, AARP is working with governors, state legislators, and community partners to take commonsense steps to support America's 40 million family caregivers — who help their older parents, spouses and other loved ones to live independently at home.</p>	<p>Ximena Jimenez, Nutritionist ----- Lucy Murio Choco Spokesperson for Autism Speaks ----- Ivette Pena Hispanic Spokesperson for AARP</p>	<p>4/6/2019</p>	<p>1hr.</p>

<p>Discover Puerto Rico came to Florida ----- Creator of Madresconectadas.com ----- Summer camp ----- Healthy eating</p>	<p>Florida Exclusivo</p>	<p>After the hurricane Maria Puerto Rico suffered a big hit in their infrastructure and more, although the island hasn't fully recovered from Hurricane Maria, tourism points are back to normal. In fact, 2019 is the absolute right time to visit The Island of Enchantment.</p> <p>-----</p> <p>As a business strategist with an MBA, an expert in logistics and projects as a civil engineer and more recently, as an award-winning blogger, Gianni Liranzo first launched her online program Jumpstart to help other women achieve their goals as entrepreneurs.</p> <p>-----</p> <p>According to a new study by the Girl Scout Research Institute, More Than S'mores (2014), girls benefit immensely from time spent outdoors. Girls who regularly spend time outdoors eclipse their peers who spend less time outdoors in environmental stewardship, more readily seek challenges, and are better problem solvers—all important traits in twenty-first century leadership.</p> <p>-----</p> <p>When it comes to taking steps for better digestion, it's more than "you are what you eat" it's "you are what you absorb." If we are unable to digest our foods, there's a good chance that we're not absorbing many of the nutrients in the foods we eat. A lot of the nutrients in vegetables and fruits must be lacking in the diet.</p>	<p>Xiomara Rodriguez Public Relations Director for Discover Puerto Rico ----- Gianny Lizandro Best LatinoPrenting Blogger ----- Shiarra Lazarus and Nelson camargo from Girls Scouts Of Citrus ----- Ximena Jimenez, Nutritionist</p>	<p>4/13/2019</p>	<p>1 hr.</p>
