**Re: Mandatory Carriage Election  
KRPV – Albuquerque-Santa Fe DMA**

Dear Mr. Dick:

We received KRPV's letter, postmarked September 23, 2014, electing mandatory carriage. DISH Network L.L.C. ("DISH Network") accepts your election and looks forward to continued carriage of KRPV per federal must carry regulations for the election cycle commencing January 1, 2015.

In addition, pursuant to 47 U.S.C. §338 and 47 C.F.R. §76.66, each as amended from time to time, DISH Network looks forward to carrying KRPV's HD signal per federal must carry regulations, provided you notify us of your desire to be carried in HD and you deliver a good quality HD signal to our local receive facility.

DISH Network will carry KRPV's SD signal (and its HD signal, if applicable) during the upcoming election cycle ending on December 31, 2017 as long as the station does not substantially duplicate the programming of any other station within the market and complies with all federal must carry regulations, including the delivery of a good quality signal to DISH Network's local receive facility.

Please be advised that the location of DISH's local receive facility in your designated market area will be made available on the DISH website at [www.dish.com/redirects/promotion/local-receive-facilities](http://www.dish.com/redirects/promotion/local-receive-facilities), by no later than September 3, 2014.

DISH Network reserves the right to deny carriage to those stations that fail to deliver a good quality signal to DISH Network's local receive facility. Please contact Teresa Cain, Sr. Program Manager at (303) 723-2628, should you anticipate signal delivery issues.

Sincerely,

A handwritten signature in cursive script that reads "Teresa Cain".
