**Re: Election of Retransmission Consent Status for KFPH-DT, Flagstaff, AZ, located in the Phoenix (Prescott) DMA ("Station")**

Dear Sir or Madam:

Univision Communications Inc., licensee of Station, hereby gives notice to Access Media 3-ADS that, pursuant to Section 325(b)(3)(B) of the Communications Act and Section 76.64(f)(2) of the FCC's rules, Univision Communications Inc. elects retransmission consent status for the Station. Accordingly, pursuant to Section 325(b)(1)(A) of the Communications Act and Section 76.64(a) of the FCC's rules, the broadcast signal of the Station may not be carried on your cable system(s) or other distribution systems that you own, operate, or manage without our express written consent pursuant to a retransmission consent agreement. This election of retransmission consent is for the period January 1, 2018 through December 31, 2020.

We will contact your corporate office to initiate retransmission consent negotiations for the Station. If there is a particular person or team, other than your corporate office, charged with handling retransmission consent negotiations for this system, please advise Friday Abernethy at (646) 885-7154 and we will be happy to contact that person accordingly.

Please note that you may receive more than one communication from the Station concerning our election of retransmission consent for the system(s). This possible duplication of letters simply reflects our efforts to ensure that this notice reaches the appropriate party at your system(s).

If you have any questions concerning this election please do not hesitate to contact me at (602) 232-3519. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

**Re: Election of Retransmission Consent Status for KFPH-DT, Flagstaff, AZ, located in the Phoenix (Prescott) DMA ("Station")**

Dear Sir or Madam:

Univision Communications Inc., licensee of Station, hereby gives notice to Advocate Communications, Inc. d/b/a Advanced Cable Communications that, pursuant to Section 325(b)(3)(B) of the Communications Act and Section 76.64(f)(2) of the FCC's rules, Univision Communications Inc. elects retransmission consent status for the Station. Accordingly, pursuant to Section 325(b)(1)(A) of the Communications Act and Section 76.64(a) of the FCC's rules, the broadcast signal of the Station may not be carried on your cable system(s) or other distribution systems that you own, operate, or manage without our express written consent pursuant to a retransmission consent agreement. This election of retransmission consent is for the period January 1, 2018 through December 31, 2020.

We will contact your corporate office to initiate retransmission consent negotiations for the Station. If there is a particular person or team, other than your corporate office, charged with handling retransmission consent negotiations for this system, please advise Friday Abernethy at (646) 885-7154 and we will be happy to contact that person accordingly.

Please note that you may receive more than one communication from the Station concerning our election of retransmission consent for the system(s). This possible duplication of letters simply reflects our efforts to ensure that this notice reaches the appropriate party at your system(s).

If you have any questions concerning this election please do not hesitate to contact me at (602) 232-3519. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

Dear Sir or Madam:

Univision Communications Inc., licensee of Station, hereby gives notice to Cable One Inc. that, pursuant to Section 325(b)(3)(B) of the Communications Act and Section 76.64(f)(2) of the FCC's rules, Univision Communications Inc. elects retransmission consent status for the Station. Accordingly, pursuant to Section 325(b)(1)(A) of the Communications Act and Section 76.64(a) of the FCC's rules, the broadcast signal of the Station may not be carried on your cable system(s) or other distribution systems that you own, operate, or manage without our express written consent pursuant to a retransmission consent agreement. This election of retransmission consent is for the period January 1, 2018 through December 31, 2020.

We will contact your corporate office to initiate retransmission consent negotiations for the Station. If there is a particular person or team, other than your corporate office, charged with handling retransmission consent negotiations for this system, please advise Friday Abernethy at (646) 885-7154 and we will be happy to contact that person accordingly.

Please note that you may receive more than one communication from the Station concerning our election of retransmission consent for the system(s). This possible duplication of letters simply reflects our efforts to ensure that this notice reaches the appropriate party at your system(s).

If you have any questions concerning this election please do not hesitate to contact me at (602) 232-3519. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

**Re: Election of Retransmission Consent Status for KFPH-DT, Flagstaff, AZ, located in the Phoenix (Prescott) DMA ("Station")**

Dear Sir or Madam:

Univision Communications Inc., licensee of Station, hereby gives notice to CenturyLink Prism that, pursuant to Section 325(b)(3)(B) of the Communications Act and Section 76.64(f)(2) of the FCC's rules, Univision Communications Inc. elects retransmission consent status for the Station. Accordingly, pursuant to Section 325(b)(1)(A) of the Communications Act and Section 76.64(a) of the FCC's rules, the broadcast signal of the Station may not be carried on your cable system(s) or other distribution systems that you own, operate, or manage without our express written consent pursuant to a retransmission consent agreement. This election of retransmission consent is for the period January 1, 2018 through December 31, 2020.

We will contact your corporate office to initiate retransmission consent negotiations for the Station. If there is a particular person or team, other than your corporate office, charged with handling retransmission consent negotiations for this system, please advise Friday Abernethy at (646) 885-7154 and we will be happy to contact that person accordingly.

Please note that you may receive more than one communication from the Station concerning our election of retransmission consent for the system(s). This possible duplication of letters simply reflects our efforts to ensure that this notice reaches the appropriate party at your system(s).

If you have any questions concerning this election please do not hesitate to contact me at (602) 232-3519. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.

Very truly yours,

Dear Sir or Madam:

Univision Communications Inc., licensee of Station, hereby gives notice to CEQUEL III that, pursuant to Section 325(b)(3)(B) of the Communications Act and Section 76.64(f)(2) of the FCC's rules, Univision Communications Inc. elects retransmission consent status for the Station. Accordingly, pursuant to Section 325(b)(1)(A) of the Communications Act and Section 76.64(a) of the FCC's rules, the broadcast signal of the Station may not be carried on your cable system(s) or other distribution systems that you own, operate, or manage without our express written consent pursuant to a retransmission consent agreement. This election of retransmission consent is for the period January 1, 2018 through December 31, 2020.

We will contact your corporate office to initiate retransmission consent negotiations for the Station. If there is a particular person or team, other than your corporate office, charged with handling retransmission consent negotiations for this system, please advise Friday Abernethy at (646) 885-7154 and we will be happy to contact that person accordingly.

Please note that you may receive more than one communication from the Station concerning our election of retransmission consent for the system(s). This possible duplication of letters simply reflects our efforts to ensure that this notice reaches the appropriate party at your system(s).

If you have any questions concerning this election please do not hesitate to contact me at (602) 232-3519. Our partnerships with the cable systems are very important to us. We look forward to an ongoing and mutually beneficial relationship with your company.
