**Air Date:** 11/21/22

**Duration:** 25 Minutes

**Synopsis:** Topics Discussed on Today's Program:

**Topic:**

- Today on Insight, John and Josh Rosenstern discuss the Respect for Marriage Act approved by the Senate and what it means for America if it is passed through a final Senate vote and then forwarded to the House of Representatives. Brother Josh says we currently don't have a law on the books that respects marriage of same sex partners, while same sex marriages are legal in the United States, which makes this pending legislation confusing.

- **Brother Josh explains the motive being that of concern of a future repeat action by a “conservative” Supreme Court to rule against same sex marriages, similar to what happened with Roe Vs. Wade being overturned and abortion rights given back to the states.**
