

Vermont Public Issues and Programs

2023 3rd quarter

The Issues and programs documentation for radio station WVER-FM was uploaded past the deadline.

This new station was recently issued a license to cover in August of 2023 – yet the public file portal still showed as “CP – Off air” so uploads were not possible.

A trouble ticket was opened with the FCC (case # HD0001241998 - see below), the problem was resolved, and the file was uploaded on October 13, 2023.

Respectfully submitted,

Joseph Tymecki, Sr. VP of Technology
