Re: **KBCW-TV, SAN FRANCISCO--**
Retransmission Consent

This agreement does not grant Operator the right to carry Station's signal in high definition. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

Dear HERB DRAKE:

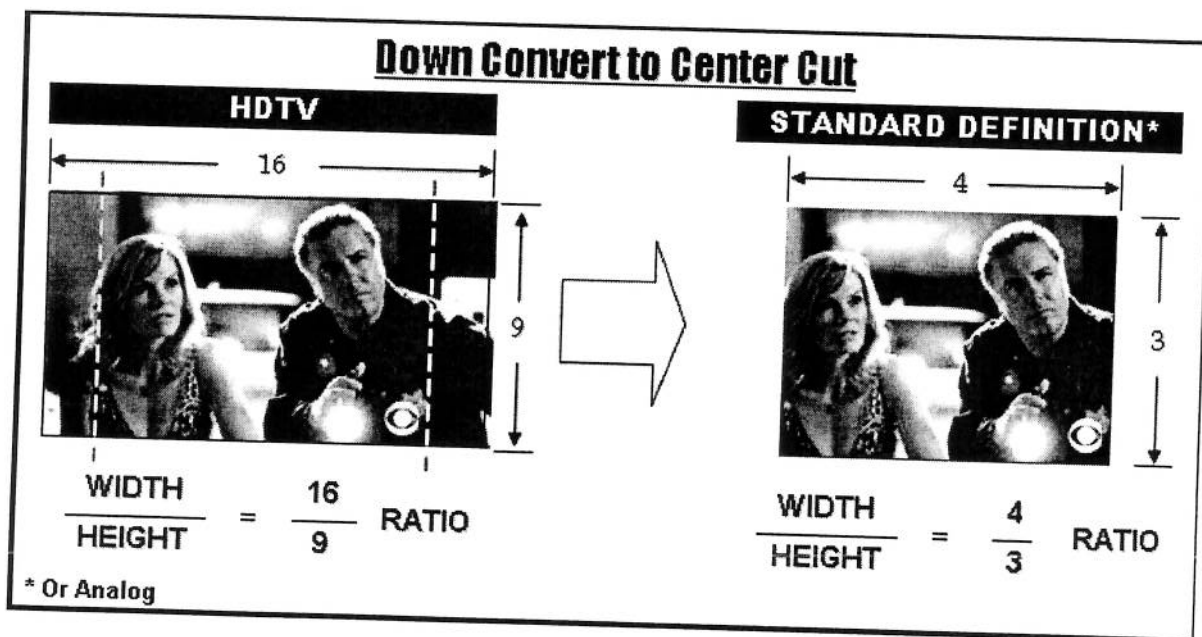

This is in regard to retransmission consent to carry the signal of **KBCW-TV, SAN FRANCISCO** ("Station") on a system operated by **LUCAS VALLEY HMOWNRS ASSN** ("Operator") and serving **SAN RAFAEL, CA** ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the **analog** signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

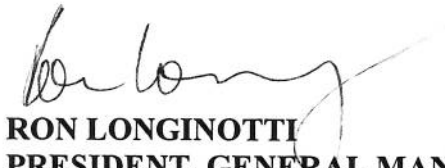

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise. Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron Longinotti", is written over the printed name and title.

This agreement does not grant Operator the right to carry Station's signal in high definition. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

Dear General Manager:

This is in regard to retransmission consent to carry the signal of **KBCW-TV, SAN FRANCISCO** ("Station") on a system operated by **THE BERKSHIRE** ("Operator") and serving **THE BERKSHIRE, CA** ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the **analog** signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise. Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

Re: **KBCW-TV, SAN FRANCISCO--**
Retransmission Consent

This agreement does not grant Operator the right to carry Station's signal in high definition. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

Dear General Manager:

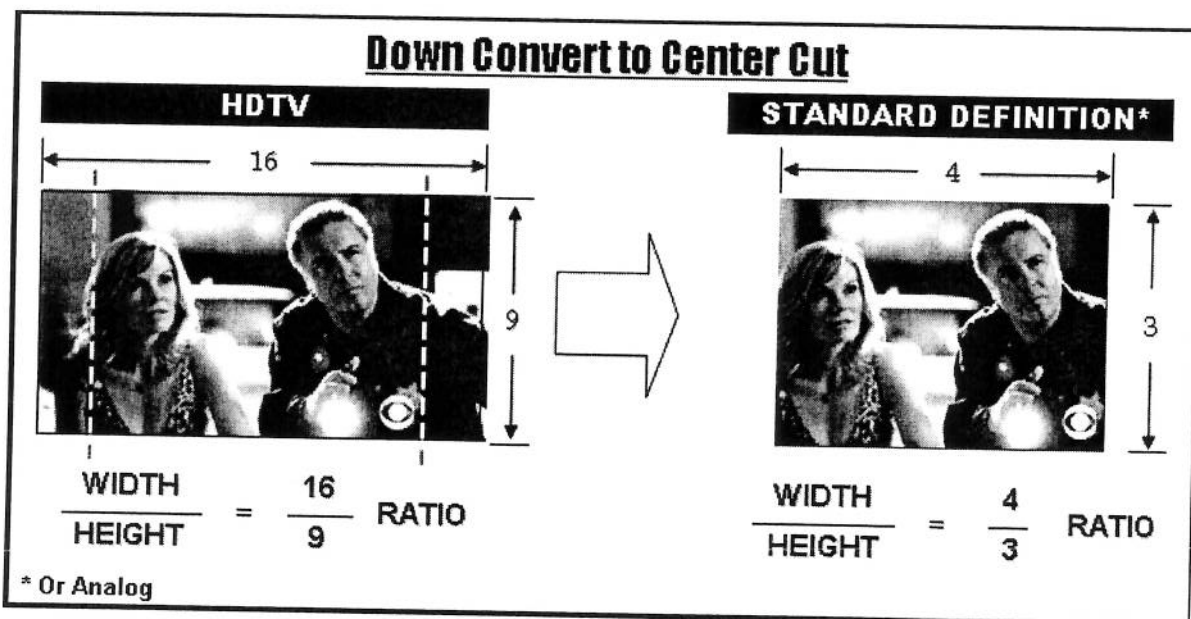

This is in regard to retransmission consent to carry the signal of **KBCW-TV, SAN FRANCISCO** ("Station") on a system operated by **THE SEQUOIS APARTMENTS** ("Operator") and serving **THE SEQUOIS APARTMEN, CA** ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the **analog** signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

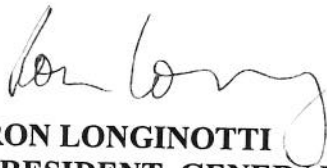

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise. Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron Longinotti", written over a horizontal line.

Retransmission Consent

This agreement does not grant Operator the right to carry Station's signal in high definition. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

Dear General Manager:

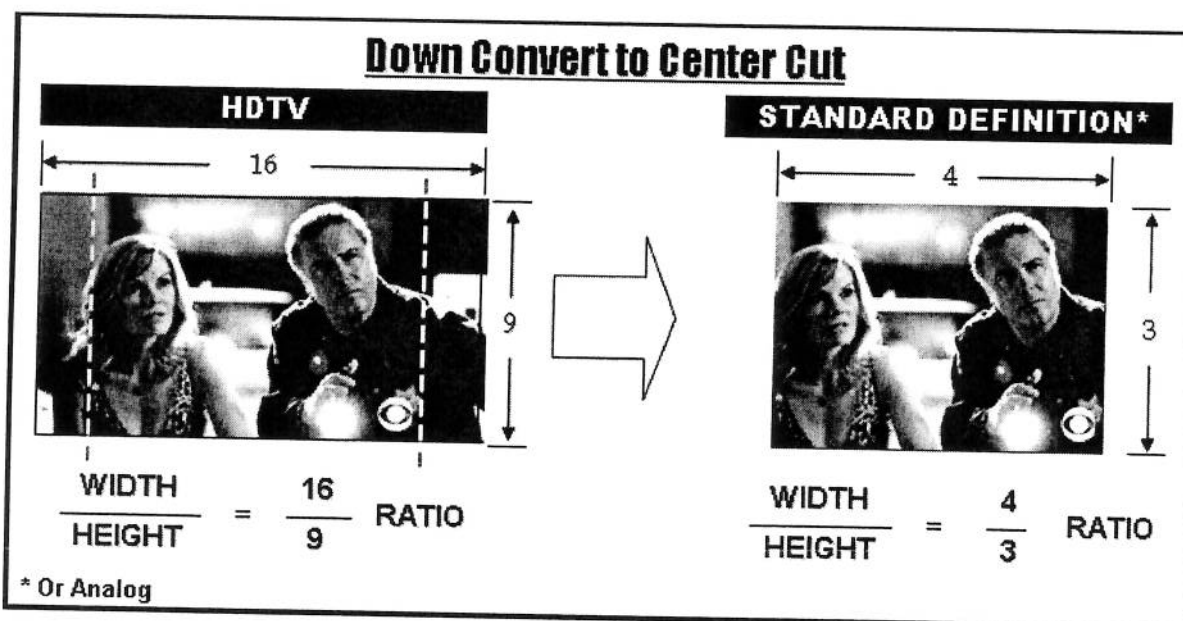

This is in regard to retransmission consent to carry the signal of KBCW-TV, SAN FRANCISCO ("Station") on a system operated by THE TOURIEL BUILDING ("Operator") and serving TOURIEL BLDG, CA ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the analog signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise. Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

This agreement does not grant Operator the right to carry Station's signal in high definition. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

Dear General Manager:

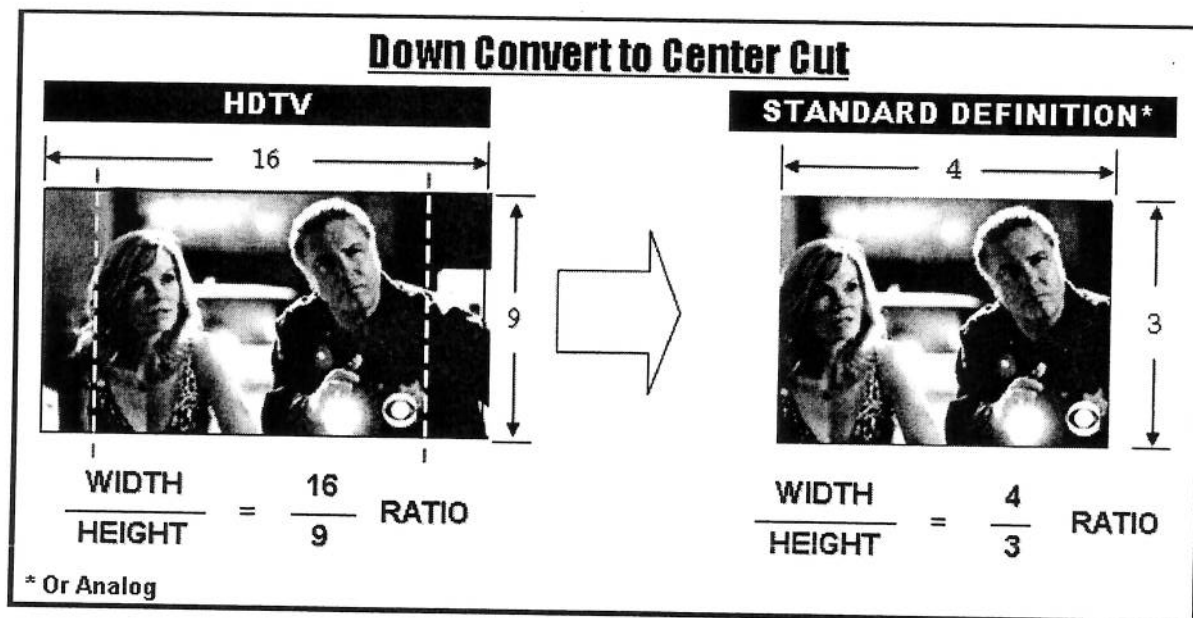

This is in regard to retransmission consent to carry the signal of KBCW-TV, SAN FRANCISCO ("Station") on a system operated by TOWN PARK TOWERS ("Operator") and serving TOWN PARK TOWERS, CA ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the analog signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise. Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Dear General Manager:

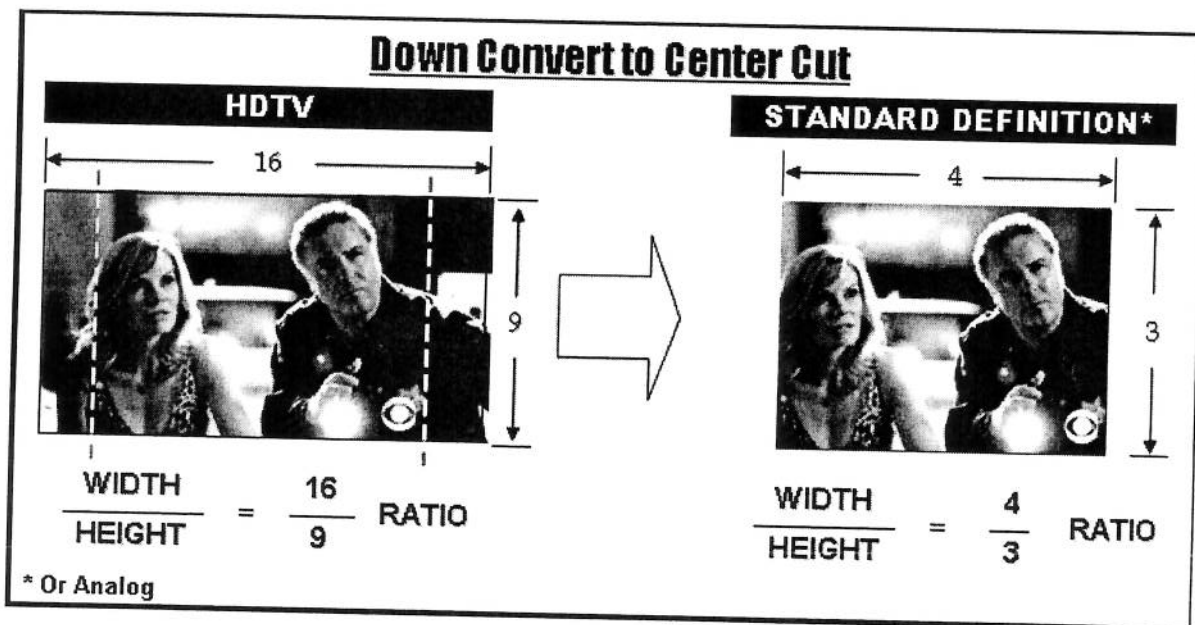

This is in regard to retransmission consent to carry the signal of KBCW-TV, SAN FRANCISCO ("Station") on a system operated by WINDEMERE APARTMENTS ("Operator") and serving WINDEMERE APTS, CA ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the **analog** signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise. Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Re: KBCW-TV, SAN FRANCISCO--
Retransmission Consent

This agreement does not grant Operator the right to carry Station's signal in high definition. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

Dear DONNA HART:

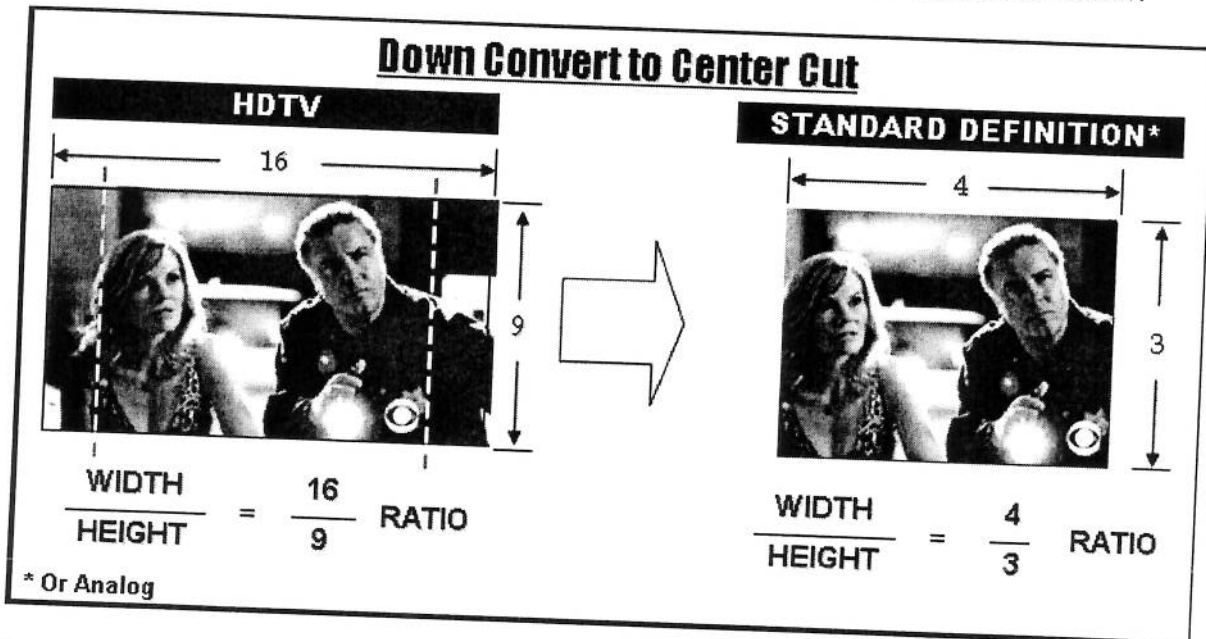

This is in regard to retransmission consent to carry the signal of KBCW-TV, SAN FRANCISCO ("Station") on a system operated by CASTLE CABLE SERVICES ("Operator") and serving ALAMEDA, CA ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the analog signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

By accepting this retransmission consent, and carrying Station's signal, Operator (1) agrees to the above terms and (2) acknowledges and agrees that the copyrights to and for the underlying programs and program material are not hereby conveyed, and that it will ensure that its retransmission of all copyrighted material included in Station's signal is appropriately licensed under the copyright laws of the United States, whether under compulsory license pursuant to 17 U.S.C. § 111, or otherwise. Operator agrees to indemnify and hold harmless CBS Corporation, and its present or past parent and affiliated entities, and their stockholders, officers, directors, employees, and agents from any and all claims, actions, losses, damages, or expenses (including reasonable counsel fees) resulting from its breach of the above warranty.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ron Longinotti", with a long, sweeping horizontal stroke extending to the right.

Retransmission Consent

This agreement does not grant Operator the right to carry Station's signal in high definition. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.

Dear DONNA HART:

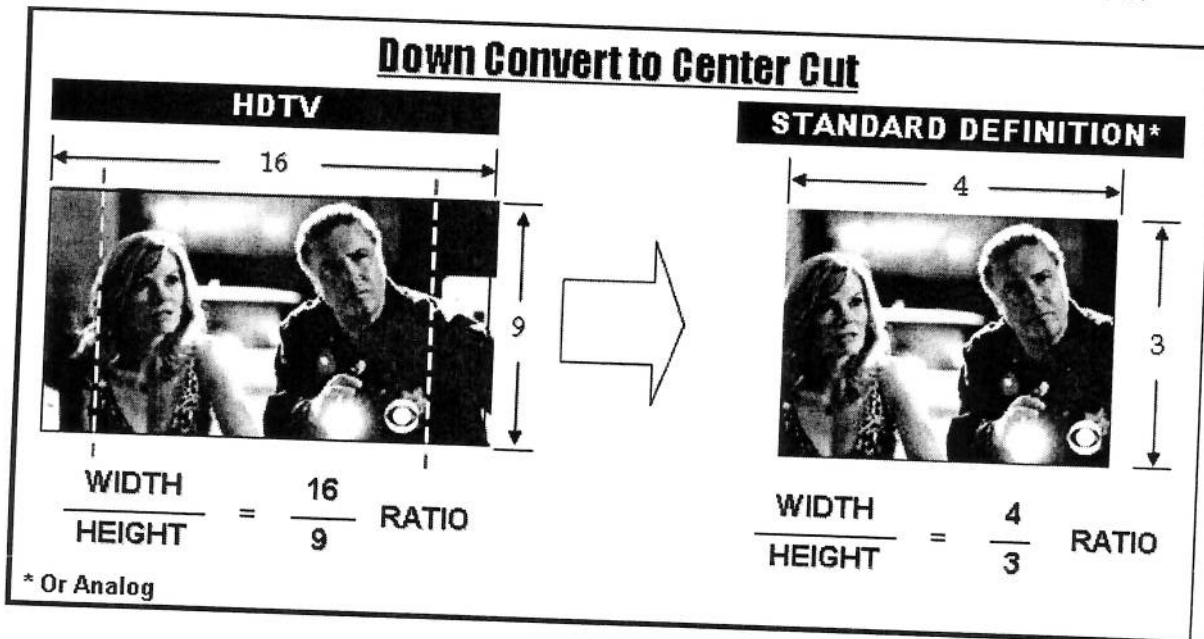

This is in regard to retransmission consent to carry the signal of KBCW-TV, SAN FRANCISCO ("Station") on a system operated by CASTLE CABLE SERVICES ("Operator") and serving MARIN, CA ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

This letter grants retransmission consent to carry the analog signal of Station, effective January 1, 2009, until such time Station ceases to transmit an analog signal (expected to be 11:59 PM on February 17, 2009) (the "DTV Transition Date"), but no later than 12:00 midnight on December 31, 2011, provided that (i) Operator will carry the signal on the channel on which it is currently carried, or another channel on which we mutually agree; (ii) Operator carries the signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by system in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Station's signal is transmitted without material degradation and is of equal quality to all other broadcast signals provided on the system, and in a manner that otherwise complies with all FCC "must carry" rules in effect as of the date of this agreement; (v) System serves subscribers residing in the SAN FRANCISCO-OAKLAND-SAN JOSE DMA; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

This letter grants retransmission consent to carry the **digital** signal of Station, effective January 1, 2009, **in either down-converted analog format or standard definition digital format only**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2011, provided that Operator follows the terms below. Such consent is granted, provided that (i) Station's down-converted analog or standard definition digital signal, will appear to the viewer on the channel on which its analog signal is currently carried, or another channel on which we mutually agree; (ii) Operator carries signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's digital signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers and that all program related material (such as closed captioning) is passed through to all of its subscribers, or shall deploy set top boxes as necessary to so ensure; (v) System serves subscribers residing in the **SAN FRANCISCO-OAKLAND-SAN JOSE DMA**; and (vi) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the digital signal of Station in any high definition or 16:9 format under any circumstances. If you would like to negotiate for the consent to carry our signal in both standard definition and high definition, please contact us by emailing: retransconsent@cbs.com.
