Make A Wish

Make-A-Wish grants “wishes” for critically ill children. It inspires us to grant life-changing wishes for children going through so much. It compels us to be creative in exceeding the expectations of every wish kid. It's the founding principle of their vision to grant the wish of every eligible child. Wishes impact everyone involved—wish kids, volunteers, donors, sponsors, medical professionals and communities. For wish kids, just the act of making their wish come true can give them the courage to comply with their medical treatments. Parents might finally feel like they can be optimistic. And still others might realize all they have to offer the world through volunteer work or philanthropy.

Mateo 3rd Annual Autism 5k

Going on the third year, this annual event was inspired by two parents who have navigated through life with a child diagnosed with Autism. The hardship of finding resources and education was such battle, therefore once they found an amazing school that helps so many children with disabilities, they decided to pay it forward! Every year this 5k is dedicated solely to the services and children of SUPER SCHOOLS! This school puts their heart and soul into helping these children, and with this 5K, it helps them continue their mission of educating and assisting children with disabilities become independent.

Category: Mental Health

Description: Talk Away the Dark: How to Have Open and Honest Conversations with Men. Men are less likely to talk about their mental health struggles than women, which is why it's so important to break down stigma and open the door for these conversations. Community and friendships are huge protective factors against suicide. We seek to emphasize the critical role that asking someone directly about suicide plays in suicide prevention and demonstrate how to have supportive conversations with loved ones about mental health and suicide prevention.
