UNRESOLVED

A change in authorization on your company tax profile to deposit only for the state of California, which occurred on 07/01/2018, caused your annual filing authorization for the 940 account to be dropped. For ADP to be able to file your 940 return, the type of service for all states has to be "file and deposit". If you would like ADP to file your 940 return, your state authorization for 2018 will have to be updated and an exception will have to be requested.

Your Actions Required

- Contact the tax agency directly to resolve this matter.
