Dear Licensee:

This refers to your attorney's letter dated May 18, 2015 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that due to a transmission line failure, the station was forced to reduce power to its 15% authorized ERP. You state that reduced power operations will continue to be necessary while the applicant is trying to repair the equipment and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until December 18, 2015 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding".
