Quarterly Issues/Programs List Addendum
First Quarter, 2020
3-10-2022

Addendum to add and correct information missing from Local Programming shows:

On 3/15/20 iHeart Communities aired at 7:30 pm

Guests:

- Dr. Bob Lahita – Chairman of Medicine at St. Joseph University Hospital
- Jared Bernstein – Former Chief Spokesman for the New York City Office of Emergency Management
- Ron Insana – CNBC Contributor

Hosted by: iHeartMedia's Ryan Gorman (from WFLA-AM / Tampa, FL)

Topics covered:

- GUEST 1 – Doctor discussing general questions about COVID-19. (What makes this virus unique, How does it spread, How is it different/similar to the flu and allergies, What are the right steps to take to protect yourself vs. misinformation being spread online, etc.) Also, will ask some common question from listeners... what does it mean to be quarantined, what about children and COVID-19? How should you talk with your kids about this?, Is there a difference between indoor and outdoor exposure, etc...
- GUEST 2 – Former government official discussing the federal, state and local response. (What agencies are handling the response and why, What is an emergency declaration and how is that decision made, What goes into the decision to cancel events and large gatherings and why is that happening, etc...)
- GUEST 3 – Financial expert discussing the economic impact of the outbreak. (Why is the market responding the way it has recently, What are they halting trading?, How concerned should you be about your investments and 401K, What will a recovery potentially look like, is it a good time to buy stocks, etc.)

On 3/22/20 iHeart Communities aired at 7:30 pm

Guest(s): guests from the Child Mind Institute

Topics covered:

- **Topic 1:** What are the latest coronavirus medical developments this week? What more we're learning about the virus itself, how those who still have to work with public can stay safe, and new data that shows younger people can be at risk for severe symptoms.

- **Topic 2:** Understanding the concept behind flattening the curve and different measures government officials can take to boost supply for medical equipment necessary to treat coronavirus patients.
- **Topic 3:** Parenting through COVID-19. Talking to your kids about the virus. How to stay calm and be honest.

On 03/29/20, iHeart Communities aired at 7:30 pm

Guest(s):

- Maria Garza, President and Founder of The Mexican American Council and the newly appointed CEO of The East Coast Migrant Head Start Project
- Credit expert Chris Colston from 2nd Chance Credit
- Attorney Amanda Suriel of The Amanda Demanda Law Group
- Univision's Chief Medical Correspondent Juan Rivera

Hosted by: iHeartMedia's Enrique Santos (from WZTU-FM / Miami, FL)

Topics covered:

- We discuss the available resources for the migrant community with Maria Garza, President and Founder of The Mexican American Council and the newly appointed CEO of The East Coast Migrant Head Start Project. Can families seek help without the fear of raids and deportations?
- Credit expert Chris Colston from 2nd Chance Credit explains what the banks and credit card companies are doing to help during this crisis and how to solicit that help.
- Attorney Amanda Suriel of The Amanda Demanda Law Group breaks down the responsibilities of employers when it comes to COVID-19 employee precautions and protections. We also prioritize which bills should be payed first during the crisis and can we get money back from prepaid adult care, daycare and private schools.
- [President Donald Trump](#) says he wants the nation "opened up" by easter, few health experts believe will be sufficient in containing the [spread of coronavirus](#). We speak to Univision's Chief Medical Correspondent Juan Rivera for his thoughts and what progress have we made in combating the COVID-19 Pandemic.
