October 1, 2021 - December 31, 2021  
Fourth Quarter, 2021

91.5 WSDH is a non-commercial educational radio station located at Sandwich High School in Sandwich, Massachusetts. WSDH has been maintaining 24/7/365 programming from the town's community television station, but has had limited student voices on the air in recent years due to the COVID-19 pandemic as well as a lack of staffing and management at the high school. The school however has now pledged to take over management of the station again with proper staffing and resources, and our newly revived radio club has renewed student interest in the radio station. The club will begin identifying important issues to our students and community and will work toward creating and curating programming that will address those issues, including student mental health, physical health and exercise, environmental issues and concerns (both local to Cape Cod and globally), drug, alcohol and addiction awareness, and more.
