Description of Issues	Program	Dates	Duration	Narration of Type and Description of Program/Segment
Women's Health	Viewpoint	Apr 6 & 7	30 mins	Go Red for Women 2019 – A discussion of the upcoming event Go Red for Women 2019, which hopes to bring awareness to heart disease and how it's the number one killer of women.
Exercise, Fitness	Viewpoint	Apr 13 & 14	30 mins	Local Motion 2019 – Ross Saxton was in studio to talk about the work Local Motion is doing to strengthen biking and walking in Vermont. From fundraising to the restoration of bike paths to helping local municipalities to create safe spaces for walking and biking around the state.
Homelessness	Viewpoint	Apr 27 & 28	30 mins	COTS Walk 2019 – A discussion of the upcoming event called the COTS Walk. The COTS Walk, not only raises funds for the COTS Shelters in Burlington, but also brings awareness to the journey that a homeless person makes to get services like food and shelter.
Rural Development	Viewpoint	May 4 & 5	30 mins	Rural Development – Paul Costello from the Vermont Council on RD, was in studio to talk about how to help rural communities to create plans and strategies to move forward. Bringing people together from multiple groups with community leaders to make concepts a reality.
Rehabilitation	Viewpoint	May 11 & 12	30 mins	Dismas House – Richard Gagne was in studio to discuss the services of Dismas House and Dismas of Vermont. Dismas helps former prisoners reintegrate into society. They provide the basic needs of food and shelter to men and woman getting out of prison. They also work with the community to help former prisoners adjust to society.
Homelessness	Viewpoint	May 18 & 19	30 mins	Resource – Tom Lonstreth, from ReSource, was in studio to discuss the change from Recycle North to ReSource. ReSource takes donations from the public and sells them to help fund programs that help homeless people. ReSource also helps with jobs and education to homeless people in need.

Rural Development	Viewpoint	Jun 1 & 2	30 mins	Rural Development – Paul Costelo from the Vermont Council on RD, was in studio to talk about how to help rural communities to create plans and strategies to move forward. Bringing people together from multiple groups with community leaders to make concepts a reality.
Charitable Giving	Viewpoint	Jun 8 & 9	30 mins	Vermont Community Foundation – Stewart Comstock-Gay, from the VCF, was in studio to talk about the Community Foundation and how they take charitable contributions and connects those funds with groups and communities that are looking for grants.
Families, Children, Health, Special Education	Viewpoint	Jun 15 & 16	30 mins	Vermont Family Network – Pam McCarthy and Jeff Mortin were in studio to talk about the work The Vermont Family Network does to help support families in Vermont. The family support team maintains a help line that can help with Health, Special Education, Special Needs, Social Services and a number of other issues. Providing information to families needing help that may not know where to find it. They also help children with special needs with a variety of programs.
Student Loans, Vermont 529 College Savings Plan, Adult Education	Viewpoint	Jun 22 & 23	30 mins	VSAC – Scott Giles was in studio to talk about the troubles with funding further education and how VSAC can help with everyone from students going on to college to adults look to return to the classroom. They also discuss the new Vermont 529 College Savings Plan and how parents and guardians can get an early jump on funding their child's education.
Exercise, Fitness	Viewpoint	Jun 29 & 30	30 mins	Local Motion 2019 – Ross Saxton was in studio to talk about the work Local Motion is doing to strengthen biking and walking in Vermont. From fundraising to the restoration of bike paths to helping local municipalities to create safe spaces for walking and biking around the state.
