<p>1. Patty Puline, Director, Safe Kids Erie, LECOM Bayfront Campus</p> <p>2. Tori Pursell, Public Relations Coordinator, 2nd Harvest Food Bank, Kevin Bayer, Letter Carrier</p>	<p>North Coast Views Sunday, May 06, 2018 6:00am - 30 min</p>	<p>1. Talked about how Safe Kids Erie was started here in Erie, even before the state of PA had a safety coalition in place. How LECOM is a great partner, because they can take advantage of the knowledge of the students to help expand their educational programs (especially drug information and SIDS prevention). Talked about some of the many directives they take to the community, including fire, water, poison, car, and bike safety. Learned about an upcoming safety event – Safe Kids Day at Elk Creek Elementary school. Reminded everyone that they can also get the info online. 9m45s</p> <p>2. Heard about how the Letter Carriers have been helping families nationwide by picking up food and donations for our 2<sup>nd</sup> Harvest Food Bank. Reminded everyone about the staggering number of families in our area that are struggling with hunger. Got details about how easy it is to help and were reminded that for every \$1 you give, the Food Bank can purchase 5 meals for struggling families (so \$20 will purchase 100 meals!). Heard how to volunteer for this program and throughout the year. 19m50s</p>

Talked about the Food &amp; Fun bus and the City of Erie Recreational Program that the Y runs to assist families over the summer, who may have anxiety about where their next meal may come from. Learned that caring adults are present at all of the events – with games, activities – and of course a meal for ages through 18, with no questions asked. 7m35s</p> <p>3. Talked about how, through Mary Jo's work with OCY – she recognized that funding needed to be raised to help “level the playing field” for children and youth who may not have the ability to go on field trips, or join clubs or sporting activities – or maybe get their ears pierced – or glasses to help their self esteem and that required a fee (as their family may not be able to afford it – leaving them feeling as an outcast at school) Heard about an upcoming event to help. 9m45s</p>

<p>1. Nancy Milkowski, Executive Director at Habitat for Humanity-Erie</p> <p>2. Chanel Cook, Outreach Services Manager - Erie County Public Library</p>	<p>North Coast Views Sunday, May 20, 2018 6:00am - 30 min</p>	<p>1. Also talked about their restore, where the public can shop once a week – and where you can donate extra building supplies, utilities and home goods. Got details about their upcoming golf outing. 15m30</p> <p>2. Learned details about the summer reading programs for all ages. <p>1. Tom New, President, WQLN</p>	<p>North Coast Views Sunday, May 27, 2018 6:00am - 30 min</p>	<p>1 Learned about how Public TV and radio came about, and how it differs from regular network TV - the FCC mandates that they have to have community support (50% for TV – 80% for radio) – talked about the 3 TV stations and what each of them has to offer.
