Brandon Hollis, Pastor David Gray, Pastor Joseph Colini, Pastor Rich Hall, Pastor Stephen Owens, Dr. Kathaleen Wuopio. What does the Bible say about climate change? Matthew 2nd chapter discusses how nations will fight nations and it will lead to famines and pestilence but we know this is the old Earth and God is preparing a new Earth for us. And that is what we should be concerned about, being there for the new Earth. But God did give us a responsibility to take care of the Earth and we should take care of everything that is His.

Dr Faron Cole, Stephanie Harper, Eddie Harris, Joseph Colini, Nick Lindsay, Toni Pugh. Is it a sin for business owners to legally deny services to gay couples? Romans 8:14 and this is key folks and this is almost a blanket answer for all situations. It says for, as many as are led by the spirit of God. They are the sons of God. Now, right now in my opinion, this community does not need any more advocates than they already have. They went from wanting us to tolerate the church to tolerate what they're doing to now. They want us to celebrate it, and promote it, we're not doing that on that note. It depends on the situation. There may be times where what they're demanding of you is compromising your walk with God or compromising your faith with God in our particular business that we have. I'm not going to mention what it is. It does not cause me to compromise, so I don't care if there's every person of this community comes into our business. We're going to high-five them for coming in and high five of them on the way out and pray for them and shower them with love. We're not there to condemn them, judge them. Where I'm able to service them and take care of them, without compromising my walk with God. So, make sure that you're led by the spirit and what you do, don't go out and create battles that God has not put you in on the same sense. Stand on your conviction, stand on the word of God. We don't have to compromise at all.

What does a cubed equal in today's measurements? We need to see that God is very specific God, he is an engineer, he is a mathematician. He is a writer. I mean, he knows and does things right whatever he does. The way of the Lord is perfect, as the scripture says.

Eugene Norris, Nancy Galambos, Stephen Owens, Rich Hall, Elisha Wells, Ronald Turner. Why is our nation ignoring the Ten Commandments? Our nation is not a theocracy. Our nation is a republic, right? So, everyone who is a part of the United States with a citizen United States, everyone does not believe in the Bible. Everyone does not believe in Jesus. All right, my concern more so is not so much. Is the nation following the Ten Commandments is, why aren't Christians? Following the Bible. Why aren't Christians the ones leading the way to say? This is what righteousness looks like? This is what Holiness looks like this is what loving your neighbor and your country looks like and I would encourage us as Christians to live out the word of God and therefore prayerfully people will come to know Christ and then they will desire to want to follow the word of God and live to take advantage, man. Good word on that path towards.

Dr. Faron Cole, Timothy Roeser, Nick Lindsay, Joseph Colini, Eddie Harris. Do our Supreme Court Justices, do they deserve to have security protection provided for them? In First Timothy, I'm not quite sure could be first Timothy and second Timothy and it says something like this. First of all, I would therefore that prayer and supplication be made for all men for those that are four kings and rulers and those that authority that we may lead a quiet and peaceable life. And so, I think and then there's a passage of scripture in Romans chapter 13 where Paul even says that the government is of God. And that the those who are officers and policemen are ministers of God. And they are not the sword in vain and those who do evil shall be punished for evil. So, in the light of that, I think that these men who serve our nation and serve, the government needs to have protection as all of us do. And we have to pray for them. We have to pray that the angel of the Lord encamps around because we have an unseen evil in the world.

------------------	----------------	---------------	-----------	--------	-----------	-------	------

Pastor Dr. Faron Cole, Pastor Timothy A. Roeser, Pastor Stephanie Harper, Pastor Joseph Colini, Pastor Tim Neal, Pastor Nick Lindsey. Why is education or school important, according to the Bible? First of all, it's important to learn how to read. God wants you to be able to read his word and you have to be trained to read. Many people that are illiterate cannot think into the deeper things of God. How can you study if you can't read? Education brings a person to a place where he can evaluate and do critical thinking of the doctrines and truths of the scripture.

The reality is that we need to train up our children the way that they should go. Teaching them about God, and not only teaching them but modeling every word that you say, so that they never see a difference between what comes out of your mouth and what comes out of your life.

Dr. Faron Cole, Timothy Roeser, Nick Lindsay, Joseph Colini, Eddie Harris. Are public schools being taken over by Atheist? Well, I don't necessarily think it's by atheists as much as it's by ungodly people. They may profess to know God, but in works they deny him and the scripture trying to teach us to beware of false teaching and wrong teaching. In Colossians chapter 2, we find that God is trying to tell us that there you got to beware of false teaching and false things that will take away and spoil you. As it says, in Colossians 2:8, beware lest any man spoil you through philosophy and vain deceit, right? After the traditions of men after the rudiments of the world and not after Christ. So, we have to understand that Christ is the embodiment of truth. The public-school long time ago, back in 1962, kicked the Bible and prayer out of it and now they're reaping much of what they've sown over these years.

Pastor John Collins, Pastor Nancy Galambos, Pastor Luvirt Parker, Bishops Samuel Hampton, Dr. Kathleen Wuopio. Should a Pastor be active in the community outside of the church programs? In my opinion, yes, Pastors should be extremely active in the community. We have to do God's Will and he has given us the Holy Spirit to quicken us and we have to be able to hear his voice. And if there if there's anything that's out there where we are serving the lord Jesus Christ, then I don't care, whether you're a pastor and evangelist and Apostle. I don't care what title you have. I mean, I would, I'm sure that you want even want that yourself. However, you know, a lot of couples, you know, go to different churches, you know, it's not uncommon. I feel like you know, the Bible says, you know, how can two walk together except they agree? So, I think you should, you know, try to seek, you know, to go together a place that you guys both are comfortable with a blessed place where you can big challenge to grow spiritually where you can grow spiritually and, you know, you'll be able to serve as well. We are created to be his servants. We are created to be used by him for his glory, everything that he gives us. All of the gifts that he gives us our gifts that are to be used in his service to do his thing with. So, if someone is given the gift of tongues, God would have the purpose for that if he's giving a discerning of spirits. Or if he's giving healing or whatever.
