**III. RECRUITMENT INITIATIVES**

	<b>Type of Recruitment Initiative (Menu Selection)</b>	<b>Brief Description of Activity</b>
1	Management-level training concerning methods of ensuring equal employment opportunity and preventing discrimination	On July 22, 2020 our Market and Business Managers participated in a presentation conducted by the Executive Vice President and General Counsel of Cumulus Media, Inc. entitled, "The FCC's Equal Employment Opportunity Rules, Your Guide to Compliance." The FCC's EEO recruitment, recordkeeping, and reporting requirements were reexamined and reinforced, after which questions were entertained.
2	Participate in event/program sponsored by or on behalf of an educational institution relating to careers in broadcasting	On July 31, 2020, our SEU's Program Director and Afternoon Drive Personality conducted an online session/tutorial with a St. Cloud University student studying Communications Technology, during which he shared information about the broadcast industry, the organizational structure of our Company, the various career opportunities available in radio, and the education/skill sets necessary for success in this business.
3	Host a Virtual Job Fair	From June 1 <sup>st</sup> through July 12 <sup>th</sup> , our SEU promoted "Back to Work Twin Cities," a virtual job fair which it organized and hosted, to connect job seekers with Twin Cities businesses which are currently hiring. Each of our stations ran commercial announcements to direct listeners to our websites where job seekers were able to view all the job postings provided by local businesses. Our SEU continues to support this effort digitally on all three of our station websites.

4	Participate in event/program sponsored by or on behalf of an educational institution relating to careers in broadcasting	Our SEU's Digital Sales Manager is a member of the St. Thomas Connect Virtual Networking Platform, which conducts virtual meetings throughout the year. This Platform allows University of St. Thomas alumni to stay in touch and share information about their careers as well as career/job opportunities in the St. Paul/Minneapolis area. On May 8 <sup>th</sup> and August 20 <sup>th</sup> , 2020, the members connected, at which time our Digital Sales Manager talked about job openings within our SEU.
5	Promotions Internship Program	Our SEU is proud of its Promotions internship program, which is designed to provide participants with "hands-on" experience at our radio stations studios to facilitate a successful career in broadcasting. Our SEU recruits interns from a wide variety of educational institutions which include: the University of Minnesota; the University of Wisconsin; the University of St. Thomas; Sanford-Brown College; IPR/Institute of Production Recording; Hamline University; St. Cloud State University; and, The Minnesota School of Business. Additionally, internship opportunities are posted on our Stations' websites, which are updated regularly. Unfortunately, due to the outbreak of COVID-19, our SEU was not able to host any Promotions interns during this reporting period.
