

## SOLAR TAX STOPPED

RO: THU 12 PM 12/13

[SUSAN]

IT'S THE BEGINNING OF THE END FOR FAILED RENEWABLE ENERGY POLICIES IN THE STATE.

MAINE'S P.U.C. HAS AGREED TO SUSPEND "GROSS METERING" FOR MEDIUM AND LARGE CUSTOMERS USING SOLAR POWER.

"GROSS METERING" WAS PUT INTO PLACE TWO YEARS AGO, REPLACING "NET METERING".

THAT REQUIRED INSTALLING EXPENSIVE METERING EQUIPMENT IN ORDER TO CHARGE SOLAR CUSTOMERS THE NEW TAX, OR FEE ON THE POWER THEY PRODUCE AND USE IN THEIR HOME OR BUSINESS.

DYLAN VOORHEES OF THE NATURAL RESOURCES COUNCIL OF MAINE SAYS THIS IS A STEP IN THE RIGHT DIRECTION, BUT MORE WORK STILL NEEDS TO BE DONE

[THIS IS A PARTIAL VICTORY, AND IT'S GOING TO SAVE RATE PAYERS A LOT OF MONEY TO NOT HAVE TO PAY FOR THIS EXPENSIVE EQUIPMENT THAT'S NEEDED TO TAX THESE BUSINESSES. BUT HOME...HOUSEHOLDS AND SMALL BUSINESSES ARE STILL SUBJECT TO THIS TAX...AND THAT HAS TO GO]

VOORHEES SAYS BI-PARTISAN LEGISLATION HAS PASSED TWO YEARS IN A ROW TO REMOVE GROSS METERING, BUT WAS VETOED BY GOVERNOR LEPAGE.

GOVERNOR ELECT MILLS HAS VOWED TO FULLY REPEAL "GROSS METERING"

## POWER OUTAGE PREPS

RO: 10PM THURS 12/20

[KAYLA]

EMERA MAINE IS GEARING UP FOR TOMORROW'S STORM.

[VO]

TOMORROW'S FORECAST INCLUDES HEAVY RAINS AND STRONG WINDS -  
SO EMERA IS PREPARING FOR POWER OUTAGES AND DOWNED POWER  
LINES.

OFFICIALS SAY TRAVEL MAY BE AFFECTED SO PEOPLE SHOULD PLAN  
AHEAD.

AND IT'S A GOOD REMINDER TO STAY PREPARED BY KEEPING  
FLASHLIGHTS, BATTERIES, AND WATER NEARBY.
