- 2. (iv) Participation in at least four events sponsored by organizations representing groups in the community interested in broadcast employment issues, including conventions, career days, workshops, and similar act ivies.

WTVT is dedicated to community involvement and promoting higher education and diversity. Ongoing outreach efforts are supported by public speaking engagements by our staff which includes, but is not limited to schools, local college/universities, civic, non-profit organizations and community events.

- Several News Employees participated in the Great American Teach-In in various schools in the Tampa Bay Area
- Employee served as a speaker at the Poytner Institute regarding Journalism and storytelling.
- Conducted various Station Tours for School Groups and Scout Groups
- News Employees speak and/or emcee numerous community sponsored events
  - October 15, 2018 John Hoffman, VP News Director spoke to a class of students at the University of South Florida to discuss the current status of our industry and the future for potential jobs. What skills are necessary and the various positions in electronic journalism.
  - October 25, 2018 Haley Hinds, Reporter spoke to students at University South Florida/University of Tampa/Public Relation Society Assoc. Joint Meeting in Tampa, FL- public relations and journalism student's regarding the future and the changing roles and jobs in our industry. The relationship between public relations and journalism.
  - February 19, 2019 Brittany Rainey, Meteorologist spoke at Palm Harbor University to High School students about what a meteorologist does and how to attain a position as a meteorologist. What educational background and course study would be best for this type of career.

- February 19, 2019 Josh Cascio, Reporter was interviewed at Pasco-Hernando State College. He mentored a college study and discussed how to pursue a career in broadcasting.
- 3. (v) Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.

# Internship Program

WTVT/FOX13 continues to offer an academic credit internship program for college/university, junior, senior and graduate students. We also offer a travel stipend of \$15 a day. The students work approximately 21-24 hours per week and receive college credit upon successful completion of their internship. Students are evaluated at the end of the internship and the evaluations are submitted to their respective college or university. Generally, internships are available in the following departments: News (including Weather and Web News), Creative Services (including Promotions and Community Affairs) and Production.

# Program Objectives:

- Provide students majoring in journalism, communications, media and related disciplines the opportunity to receive on-site exposure to and training from experienced television broadcast professionals who are in job positions to which students aspire.
- Provide students majoring in journalism, communications, and media and related disciplines the opportunity to garner practical application experience and exposure to a work environment in their desired career.
- Identify students for the Station's job applicant pool for employment opportunities.
- The Station regularly distributes internship information to colleges, universities, and other education programs either through email or by posting directly on the websites/list services as requested by the organization.

#### Eligibility Requirements:

- College junior and senior, and graduate students
- Must be in good academic standing and eligible to receive academic credits

The internship program is managed by Iris Sierra, Regional Human Resources Director and Michael Getter, Managing Editor. In this reporting year, we had a total of thirteen (9) academic credit only interns.

News: Interns
Production: Interns
Creative Services Interns

We accepted students from the following colleges/universities: (4) University of South Florida (3) University of Tampa, (1) University of Florida, (1) Rollins College

4. (vii) Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting.

#### Emma L. Bowen Foundations for Minority Interests in Media, Inc.

Established in 1989, the Emma L. Bowen Foundation for Minority Interests in Media is a non-profit organization whose mission is to create career opportunities in the media industry for minority youth through a program that focuses on scholastic achievement, direct work experience and professional development. Students in the program work in media companies each summer and during school breaks, from high school through college. The students earn both wages and matching scholarship funds to be used for college tuition and related expenses. Over a period of up to five (5) years, the students experience numerous aspects of Company operations and develop professional and practical skills that will help prepare them for their careers, many of which begin at the companies where the students interned. Fox Television Stations have been a corporate partner in this program since its inception and two of the Company's executives are on the Foundation's Board.

#### Eligibility Requirements:

- Good academic standing and record
- Recommendation from principal, teachers and guidance counselors
- Interested in pursuing a career in media

WTVT is currently sponsoring one student.

5. (viii) Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions.

WTVT encourages employees to apply for promotions for which they are qualified. In an effort to increase internal promotions, the station offers many internal cross-training opportunities. This enables the employees to acquire the necessary skills and experience needed to be considered for advancement opportunities. In this reporting period, the station has trained and promoted internally the following positions:

- Account Executive
- PT Production Tech

All employees are given access to Lynda an on-line training from management training to basics.

The Company offers an Educational Reimbursement benefits to all employees. Three employees took advantage of this benefit during this reporting period.
