1	10/9/2015	Participation in events sponsored by community groups	Boy scout troop 718 from Findley Elementary school from Beaverton Oregon came in and toured the station. They were here when President Obama landed in Oregon and the troop got to watch it live in the station control room. They talked with Anchors and toured the complete station (the green room/makeup room, AMNW set and news studios, control room, and news room) and asked a lot of questions about how they could get to work at a TV station. The group was given advice on how to make their way into the industry, including going to college, networking, being proactive in pursuing their goals and taking opportunities when they are offered.	12	Human Resources Operations Technician General Manager
2	10/28/2015	Participation in events or programs sponsored by educational institutions	The station hosted a tour for Beaverton High school as part of their Career Day. There were 20 students and 6 adults included in the tour. We divide them into 2 groups of 10 students and 3 adults for station tours. Most of the students were bilingual and would like to experience careers within the Spanish media. The age of the students ranged between 15 & 16. The students were taken around the complete station and then a presentation was given by David Smith the Station Manager for KUNP our Univision station about how to make their way into the industry, including going to college, networking, being proactive in pursuing their goals, and taking opportunities when they are offered.	4	Station Manger Adminstrative Assistant Anchor Meteorologist

17	7/19/2016	Participation in events or programs sponsored by educational institutions	Group tour from the Boys & Girls Clubs of Southwest Washington (college prep program). There were 5 people total in the group, including chaperones (group picture attached). The tour went through the green room/makeup room, AMNW set and news studios, control room, and news room. The group asked a lot of questions about job positions and roles within a news station and how to prepare for this career. In the control room, there was a discussion about how the news works and how everything is handled in the control room. The group was given advice on how to make their way into the industry, including going to college, networking, being proactive in pursuing their goals, and taking opportunities when they are offered. Much of tour revolved around career prep in this industry.	6	General Manager Meteorologist Floor Director
