### *Moral Issues*

Program: In the Market

Date: January 28, 2019

Time: 5:00PM

Duration: 55 Minutes

#### Discussion: Regrets

Listeners were invited to hear about the human toll inflicted by so-called “gender experts” who push gender transition on people who don’t need it. Listeners also learned about the “aha” moments from people who were convinced gender change was the answer but came to see it was not. The information came from one man who walked this path and now is sending a warning to a culture being swayed by a damaging agenda.

Program: In the Market

Date: March 11, 2019

Time: 6:00PM

Duration: 55 Minutes

#### Discussion: Addicted

Pornography is capturing the culture so how do we stem the tide of this toxic influence? The guest will draw on the experience of porn performers and users, and the expertise of neurologists, sociologists, and psychologists to demonstrate that

pornography is destructive to individuals, relationships, and society. He provided insightful arguments, supported by the latest scientific research, to discredit the fanciful claims used to defend and promote pornography. Listeners learned about the neurological reasons porn is addictive, and how to help individuals learn how to be free of porn.
