Thursday, 4/25/2019: 1:00 pm: Maine Calling - "BLUEPRINT" by Nicholas Christakis

A Yale social scientist makes the case for why he believes humans are evolutionarily wired to be good. We'll discuss his new book *Blueprint: The Evolutionary Origins of a Good Society*.

Friday, 4/26/2019: 2:00 pm: NEXT

NEXT is our weekly regional focus on New England. Hosted by John Dankosky, NEXT explores our region in a time of change; where are we now? How did we get here? And what's next?

Thursday, 5/2/2019: 1:00 pm: Maine Calling - LULA WILES

Long before they were in a band together, the members of Lula Wiles - Isa Burke, Eleanor Buckland and Mali Obomsawin - were singing folk songs and trading fiddle tunes at camp in Maine. They are all Maine natives, and their new album, "What Will We Do," came out earlier this year to national attention and critical acclaim. They join Maine Calling to play a few songs off the album and talk about their influences and what's next for the band.

Friday, 5/3/2019: 1:00 pm: Maine Calling - THE ROLE OF THE GRANGE

Granges have been integral to the history of rural Maine, serving not only as places for farmers to organize and advocate for themselves, but as educational sites, social hubs, and community centers. We learn about how some Granges have carried on the traditions of the past, while others have evolved to serve new purposes in their communities--bringing new vitality to rural Maine.

NEXT is our weekly regional focus on New England. Hosted by John Dankosky, NEXT explores our region in a time of change; where are we now? How did we get here? And what's next?

Monday, 6/10/2019: 1:00 pm: Maine Calling - "HOW TO DO NOTHING" by Jenny Odell

Doing nothing is easier than it sounds. Artist and author Jenny Odell joins us to explain what she means by doing nothing - taking time out of one's day to engage in an activity without considering whether it's productive - and why it can be so difficult these days to do it. She'll also explain how doing nothing can be a form of resistance to a world where our value is over determined by our 'data productivity.'

Friday, 6/14/2019: 1:00 pm: Maine Calling - "BLUEPRINT" by Nicholas Christakis

We listen back to our conversation with Yale social scientist about his book on why he believes humans are evolutionarily wired to be good.

Thursday, 6/27/2019: 1:00 pm: Maine Calling - LINDA HOLMES

Holmes is the pop culture correspondent for NPR and the host of Pop Culture Happy Hour. Her first novel, *Evvie Drake Starts Over*, which is about love and sad things and baseball and the state of Maine, comes out on June 25. (*Thursday evening at the Portland Public Library, Maine Public's All Things Considered host Nora Flaherty will interview Holmes*).

Friday, 6/28/2019: 2:00 pm: NEXT

NEXT is our weekly regional focus on New England. Hosted by John Dankosky, NEXT explores our region in a time of change; where are we now? How did we get here? And what's next?

ECONOMY

Thursday, 4/11/2019: 1:00 pm: Maine Calling - ENTREPRENEURSHIP IN MAINE

According to a 2014 U.S. Census Bureau report, "entrepreneurship is so prevalent (in Maine) that companies with fewer than 500 employees made up three-fifths of [the state's] private workforce in 2014." We learn about how entrepreneurs get their start in Maine, what resources and programs have successfully launched new businesses, and how the spirit of entrepreneurship shows up in different part of our state.

Wednesday, 4/17/2019: 1:00 pm: Maine Calling - VOLUNTEERISM

Volunteers are the unseen workers that are behind the success of organizations, programs and events throughout Maine. We'll learn what impact volunteers have on our economy, how people interested in volunteering can get involved, and what's being done to foster younger generations to help serve the community.

Wednesday, 5/1/2019: 1:00 pm: Maine Calling - FUTURE OF HOUSING

Local officials consistently cite the lack of affordable housing in Maine as one of their most pressing issues. In advance of the Maine Real Estate & Development Association (MEREDA) spring conference, we'll learn about the challenges and opportunities facing developers and communities when it comes to creating more affordable housing. The conference will focus on understanding the various ages and demographics who need housing and their impact on developing appropriate housing stock. We'll also discuss the latest figures on Maine's housing market.

**Monday, 5/13/2019: 2:00 pm: WORLD AFFAIRS COUNCIL
REBUILDING THE SOCIAL CONTRACT (Part 1)**

While globalization has lifted millions out of poverty, the geopolitical forces that drove it have largely left the middle class behind. There is a growing sense that the social contract established after WWII is broken.

Tuesday, 5/14/2019: 1:00 pm: Maine Calling - *MAINE'S MILITARY FAMILIES*

We discuss the challenges facing veterans and military families, and the support services available, in a state with no military bases.

Monday, 5/20/2019: 1:00 pm: Maine Calling - *BIO ECONOMY*

As industries try to move away from petroleum-based products, the bio economy will play a huge role in the transition. The bio economy is described as the use of renewable biological resources to produce food, energy and industrial goods. It involves climate change, renewable resources and issues of sustainability. Marine or forest resources—such as seaweed or wood—can be used to create energy as well as value-added products or food. Our panel will discuss what Maine is doing to promote the bio economy.

Monday, 5/27/2019: 1:00 pm: Maine Calling - *MEMORIAL DAY*

For Memorial Day, we revisit our conversation about what challenges Maine veterans and military families face, and where they can turn for help.

Wednesday, 6/5/2019: 1:00 pm: Maine Calling - *COMMISSIONER BRUCE VAN NOTE*

As the head of Maine's Department of Transportation, Commissioner Van Note oversees a vast transportation network, including the turnpike, bridges, airports and other infrastructure. In recent news, the DOT has pulled back on several projects due to construction costs. We'll hear about how he will address these budgetary issues, and what his plans are for the future. (from Augusta studio)

Wednesday, 6/5/2019: 2:00 pm: WORLD AFFAIRS

Rebuilding the Social Contract, Part 2: Corporate Interests: Shareholder or Stakeholder?

Three very distinct perspectives: that of the people, that of the corporate sector, and that of government are explored in this series. The focus of this episode is the business sector – its shareholders versus its stakeholders.

Tuesday, 6/18/2019: 1:00 pm: Maine Calling - *AUTOMOTIVE NEWS & ADVICE*

Our two favorite car experts return to share the latest on the future of Tesla, whether now is the right time to trade up, and to answer listener questions about their car, truck, SUV or hybrid.

EDUCATION

Wednesday, 4/24/2019: 1:00 pm: Maine Calling

DEPT. OF EDUCATION COMMISSIONER PENDER MAKIN

Maine's new education Commissioner steps into a position that has been in flux for 8 years. The former teacher, principal and superintendent joins us to talk about her priorities, including restoring faith in Maine's public schools, addressing the teacher shortage, and determining the role of charter schools.

ENVIRONMENT/ENERGY/WILDLIFE/CLIMATE CHANGE

Friday, 4/5/2019: 1:00 pm: Maine Calling - *LOONS*

One of the beloved symbols of Maine, the loon is categorized as a "Species of Greatest Conservation Need."

We'll learn about why the loon is such an iconic Maine species, how the loon population is doing in Maine, and what conservation efforts are underway to protect this aquatic bird and its habitat.

Tuesday, 4/16/2019: 1:00 pm: Maine Calling - *INSECTS*

Several different invasive pests have caused severe harm in Maine, from the brown-tailed moth to the emerald ash borer. At the same time, the overall insect population is in sharp decline. We'll learn about insects and their effects on humans from a panel of experts.

Monday, 4/22/2019: 1:00 pm: Maine Calling - *THE NEW CLIMATE CHANGE ACTIVISTS*

Inspired in part by 16-year-old Swedish climate activist Greta Thunberg, a new generation has mobilized in taking any action against climate change. We will talk with youth activists from Maine to talk about how they put their passion into action, and what they hope to achieve.

Friday, 4/26/2019: 1:00 pm: Maine Calling - *WELCOMING SPRING*

In coordination with the Nature/PBS series "American Spring LIVE" (airing April 29, 30 & May 1) and Maine Public's tie-in event at the Gisland Farm Audubon Center on April 27th, our Maine Calling will highlight nature appreciation, science education, citizen science—and we'll ask callers to share what signs of spring they look for in their part of the state and how they are getting involved with their natural surroundings.

**Monday, 4/29/2019: 2:00 pm: IDEAS FROM THE CBC
CAPITALISM IN THE ANTHROPOCENE**

Mathematician and philosopher David Schweickart asks whether there is another way forward for capitalism, one in which the choice isn't between the economy and life itself as the economies of the world can't continue to grow and grow if the earth is to survive climate change.

Tuesday, 5/14/2019: 2:00 pm: COMMONWEALTH CLUB OF CALIFORNIA

"Sea Changes: Why Oceans Play a Bigger Role in Climate Than You Think"

A panel discussion on the health and future of our oceans.

Thursday, 5/23/2019: 1:00 pm: Maine Calling - *THE STATE OF MAINE'S LAKES*

Maine's lakes are renowned, and they are critical to our economy, drawing outdoor recreation enthusiasts and tourists throughout the year. We will discuss how lakes across Maine are faring—from water quality to invasive species to pollution—especially in the face of climate change. We'll also hear from conservation groups on what is being done to keep Maine's lakes healthy and vital.

Tuesday, 5/28/2019: 1:00 pm: Maine Calling - *THE PROBLEM WITH PLASTICS*

Plastics harm the environment in many ways. Different kinds of plastics are problems: plastic bags, microbeads, balloons, bottles. And they lead to litter on land and in the ocean, they entangle wildlife, they get ingested—and they are often not recyclable. We will learn more about the problems with plastics—and what we can do to reduce their impact.

Friday, 6/7/2019: 1:00 pm: Maine Calling - *LOONS*

One of the beloved symbols of Maine, the loon is categorized as a "Species of Greatest Conservation Need."

We'll learn about why the loon is such an iconic Maine species, how the loon population is doing in Maine, and what conservation efforts are underway to protect this aquatic bird and its habitat.

Monday, 6/10/2019: 2:00 pm: COMMONWEALTH CLUB OF CALIFORNIA (5/24)

David Gergen: "Climate Change, Politics and Public Opinion"

David Gergen, who advised four American presidents going back to Richard Nixon, says that climate change is turning out exactly the way scientists predicted, with one exception: it's happening faster than they thought.

Monday, 6/17/2019: 2:00 pm: IDEAS FROM THE CBC

CONTEMPLATING THE END - a conversation about the fate of our planet due to the environmental devastation that threatens life itself, and a discussion about what we should do, both now and in the future.

Thursday, 6/20/2019: 1:00 pm: Maine Calling - TICKS & VECTOR-BORNE DISEASES

We check in with the experts on the level of danger from ticks this season, and what to watch for in terms of Lyme and other diseases that can be carried by ticks or other bugs.

Tuesday, 6/25/2019: 1:00 pm: Maine Calling

INLAND FISHERIES & WILDLIFE COMMISSIONER JUDY CAMUSO

Camuso is the first woman to lead the department, overseeing the preservation, protection and enhancement of the inland fisheries and wildlife resources of the state. Previous she served as the Director of the Wildlife Division for MDIFW and has been with the Department since 2007.

FARMING/GARDENING/AGRICULTURE

Thursday, 5/9/2019: 1:00 pm: Maine Calling - GARDENING (Grow Together Campaign)

Our gardening experts return to offer tips on what to plant and how best to make your flowers, vegetables, lawn and other plants grow this season—and how to prevent pests and other common problems from taking over.

Thursday, 6/6/2019: 1:00 pm: Maine Calling - YOUTH IN AGRICULTURE

Maine's agricultural future depends on the interest and involvement of young people. We'll learn about the programs and educational efforts aimed at fostering the farmers of tomorrow—and why some see that as essential to the economic success and culture of our state.

Thursday, 6/13/2019: 1:00 pm: Maine Calling - GARDENING

Our gardening experts return to help with planting, pruning, weeding, whacking and whatever else comes to mind regarding garden care.

HEALTH/MEDICINE/SAFETY

Monday, 4/1/2019: 2:00 pm: IDEAS FROM THE CBC - UTOPIAN DINNER PARTY

A hundred years from now the planet will have 3-billion more people to feed. Global food security expert Evan Fraser talks with IDEAS to consider 2 possible solutions to meet this challenge

Thursday, 4/4/2019: 1:00 pm: Maine Calling - PAYING FOR UNEXPECTED HEALTH CARE COSTS

The financial costs of illness - with or without insurance. Last year a Federal Reserve report found that 40% of American's are unprepared for a \$400 emergency expense. Out-of-pocket costs for cancer care can approach \$5,000/year. Learn what help is available for patients and their families when hit with expenses and challenges associated with a major illness.

Monday, 4/8/2019: 1:00 pm: Maine Calling - PRESCRIPTION DRUG COSTS

On a per capita basis, inflation-adjusted retail prescription drug spending in the U.S. increased from \$90 in 1960 to \$1,025 in 2017, according to Peterson-Kaiser's Health System Tracker. Why are prescription drug prices so high, what effects do these costs have on people and what can be done about it? We discuss some of the legislation that has been introduced to address this escalating problem.

Tuesday, 4/9/2019: 1:00 pm: Maine Calling - DHHS COMMISSIONER JEANNE LAMBREW

Commissioner Lambrew's role encompasses a wide range of critical areas, from child welfare to homelessness to mental health and substance abuse. We will hear about what she plans to focus on first, and what concerns she has about the scope of the health and human services challenges facing Maine. As Commissioner, she leads the largest agency in state government, which provides health care and social services to approximately a third of the state's population, including children, families, the elderly, and those with disabilities, mental illness and substance use disorders. The Department also promotes public health through management of the Maine Center for Disease Control and Prevention, operates two state psychiatric hospitals, and provides oversight to health care providers through its licensing division.

Thursday, 5/2/2019: 2:00 pm: SAFE SPACE RADIO: CAN WE TALK

Portland Maine psychiatrist Dr. Anne Hallward hosts four SAFE SPACE RADIO programs we are airing during May, which is Mental Health Awareness Month. Today's topic is "Apologies."

Thursday, 5/9/2019: 2:00 pm: SAFE SPACE RADIO: CAN WE TALK

Today's Mental Health Awareness Month topic is "Asking for Help"

Monday, 5/13/2019: 1:00 pm: Maine Calling - HEARING LOSS (Delayed Closed Captioning)

We operate in a world that expects us to hear normally but hearing loss and hearing impairment are extremely common. This is especially relevant in Maine, the oldest state in the nation - one in three people in the United States between the ages of 65 and 74 has hearing loss, and nearly half of those older than 75 have difficulty hearing. There are some groundbreaking programs for the deaf community. We examine hearing loss and the latest advances in technology to help those with hearing problems. (We will be providing a closed caption video of this program within a day or two of its broadcast).

Thursday, 5/16/2019: 2:00 pm: SAFE SPACE RADIO - CAN WE TALK - "Loneliness"

The third in this four-part CAN WE TALK series in recognition of Mental Health Awareness Month Safe Space Radio, with Portland's own Dr. Anne Hallward, focuses on Loneliness.

Thursday, 5/30/2019: 2:00 pm: Commonwealth Club of California

Glenn and Jesse Close: "Bring Change To Mind"

Award-winning actor and advocate Glenn Close founded the nonprofit Bring Change To Mind to change the way mental illness is perceived, after her sister Jesse was diagnosed as bipolar and her nephew with schizoaffective disorder.

Monday, 6/3/2019: 1:00 pm: Maine Calling - WATER SAFETY

Maine offers an abundance of summertime recreation that is centered around water – from swimming to boating to surfing, in pools, lakes and the ocean. We address essential safety considerations for all ages that are not always heeded or understood.

Tuesday, 6/4/2019: 1:00 pm: Maine Calling - RABIES

We discuss the prevalence of rabies in Maine, what to do about potentially rabid animals, how to treat humans who may have rabies and more.

Tuesday, 6/11/2019: 1:00 pm: Maine Calling - VETERINARY CARE

Our panel of veterinarians discuss the latest news from the world of pet care and answer our listener questions.

Wednesday, 6/12/2019: 1:00 pm: Maine Calling - BENZODIAZEPINES

A study published earlier this year in the Journal of the American Medical Association (JAMA) details what doctors nationwide are calling the next drug crisis. From 2005 to 2015, benzodiazepine prescriptions increased 50%. We'll examine the role of benzodiazepines in the treatment of anxiety, pain management, as well as a possible link to the opioid crisis.

Tuesday, 6/25/2019: 2:00 pm: IDEAS FROM THE CBC - Freedom from Want

A panel discussion about inequality and healthcare.

INTERNATIONAL AFFAIRS

Thursday, 4/4/2019: 2:00 pm: BBC GLOBAL QUESTIONS DOCUMENTARY

China on the World Stage

China's extraordinary economic boom is finally cooling. It's locked into a damaging trade war with the United States. Is the Chinese economic miracle grinding to a halt? If so, what will be the impact on the global economy?

Thursday, 4/25/2019: 2:00 pm: SPEAKING IN MAINE

Wednesday, 5/22/2019: 2:00 pm: SPEAKING IN MAINE

Speaking in Maine takes us next to Northport and the Mid-Coast Forum on Foreign Relations. Professor Gregory Gause, Chair of International Affairs at the Bush School of Government and Public Service at Texas A&M University speaks about the internal political situation in Saudi Arabia and how it has influenced its external policies and more aggressive international actions.

Tuesday, 6/11/2019: 2:00 pm: IDEAS FROM THE CBC

THE MUNK DEBATE: Is China a threat to the liberal international order?

Wednesday, 6/12/2019: 2:00 pm: WORLD AFFAIRS

"Cooler Heads in Crisis: Why American Diplomacy Matters Today"

Former Deputy Secretary of State Ambassador William Burns discusses effective American leadership in a world of waning American influence abroad.

Tuesday, 6/18/2019: 2:00 pm: SPEAKING IN MAINE

Speaking in Maine takes us next to Northport, and the Mid-Coast Forum on Foreign Relations, for a talk by New York Times journalist Anne Barnard, who led coverage of the Syria war for six years, reporting from across the Middle East as Beirut bureau chief.

Wednesday, 6/19/2019: 2:00 pm: WORLD AFFAIRS - "The Remains of ISIS"

While the Islamic State no longer has any territory in the Middle East, its ability to recruit soldiers and engage in violence remains. A discussion about the future of ISIS.

MEDIA

Wednesday, 4/3/2019: 2:00 pm: INTELLIGENCE SQUARED

A debate on the following question:

Can Constitutional Free Speech Principles Save Social Media Companies From Themselves?

Monday, 4/22/2019: 2:00 pm: WORLD AFFAIRS

"280 Characters or Less: Leadership and Governance in the Age of Social Media"

A discussion about the increasingly important global role social media is playing in politics. Not only does it determine our political discussions, it has transformed the way politicians communicate with both the public and each other.

MINORITIES/WOMEN/CIVIL RIGHTS/IMMIGRATION

Wednesday, 4/10/2019: 2:00 pm: COMMONWEALTH CLUB OF CALIFORNIA

Emily Chang's Brotopia: One Year Later

Journalist Emily Chang takes the pulse of Silicon Valley's gender programs a year after exposing widespread discrimination and sexual harassment across the technology heartland.

Friday, 4/12/2019: 1:00 pm: Maine Calling - "HOLDING UP THE SKY"

A new exhibit at the Maine Historical Society examines the experiences of the First People of Maine – the Wabanaki. Our panel explores the Wabanaki philosophies of leadership and obligation relating to humans and non-humans; and reciprocity through the topics of self-governance, trading, the environment and resource management, basketmaking, and medicine and health.

Monday, 4/15/2019: 2:00 pm: IDEAS FROM THE CBC - STEALING HOME: JACKIE ROBINSON

A Look back on the 100th anniversary of his birth

The National Baseball Hall of Fame quotes trailblazer Jackie Robinson: "a life is not important except in the impact it has on other lives." Robinson's life had a huge impact, especially when he broke down the colour barrier in Major League Baseball and American society. His rookie season still stands as one of the most politically profound events in the history of organized sport. Every April 15, every team in the major leagues celebrates Jackie Robinson Day, and 2019 - THIS YEAR is the centennial of his birth.

Wednesday, 4/24/2019: 2:00 pm: WORLD AFFAIRS

"Life on the Border: Mitigating a Legacy of Immigration Policy Failure"

A discussion with civil society leaders working to lessen the trauma for migrants and asylum seekers fleeing violent crime and political persecution

Friday, 5/10/2019: 1:00 pm: Maine Calling - MOTHERS' STORIES

Leading into Mother's Day weekend, we discuss the role that mothers hold in our society--and hear stories from our listeners. In the studio, three contributors to the new book, *Compassionate Journey: Honoring Our Mothers' Stories*, will join us. It is a collection of stories that delve into what it means to be a mother, a daughter--and how we can understand the complicated love that binds generations.

Wednesday, 5/15/2019: 2:00 pm: SPEAKING IN MAINE

Speaking in Maine takes us next to the eighth annual Justice for Women Lecture at the Abromson Community Education Center in Portland. The speaker is Ms. Aguilar Rodriguez, the International Advocacy Officer at the Juarez Human Rights Center in Mexico City, and she'll be focusing on the immigration taking place through Mexico and access to justice and reparations for victims of human rights violations.

Thursday, 5/23/2019: 2:00 pm: SAFE SPACE RADIO - CAN WE TALK

"Speaking to White Kids about Race and Racism"

The fourth in this four-part CAN WE TALK series, in recognition of Mental Health Awareness Month. Safe Space Radio with Portland's own Dr. Anne Hallward cover "Speaking to White Kids about Race and Racism."

Thursday, 5/30/2019: 1:00 pm: Maine Calling - LAUREL THATCHER ULRICH

Professor Ulrich is best known for writing "well behaved women seldom make history," as well as the landmark book *A Midwife's Tale*, which won a Pulitzer Prize and remains a seminal text on women's labor history. The eminent scholar, Harvard professor, historian and author joins us to discuss her research into early American history and the history of women.

Thursday, 6/20/2019: 2:00 pm: BBC DOCUMENTARY; "ME, THE REFUGEE"

Reporter Sahar Zand became an Iranian refugee at the age of 12, when her family had to leave after her father got into political trouble with the regime. From months of limbo in a Danish refugee center, to days on the run

across Europe, to life in the United Kingdom, Sahar explores the complex roles, deceptions and sacrifices she and her family members experienced during those often-desperate days.

Wednesday, 6/26/2019: 1:00 pm: Maine Calling - LGBTQ & LIFE IN MAINE

June 27th is the 50th anniversary of the Stonewall Uprising in NYC, the 'birthdate' of the modern gay rights movement. July 7th is the 35th anniversary of the death of Charlie Howard in Bangor -- the event which led to the founding of MLGPA, predecessor of Equality Maine. This year also marks the 45th anniversary of the founding of the Wilde-Stein Club at UMaine/Orono, Maine's first LGBTQ organization. Our panel discusses LGBTQ life in Maine, past/present/future.

Wednesday, 6/26/2019: 2:00 pm: NANCY PODCAST SPECIAL

A DIFFERENT KIND OF COMING OUT

The WNYC Podcast "Nancy - a Different Kind of Coming out" offers three different kind of coming out stories.

Thursday, 6/27/2019: 2:00 pm: BBC DOCUMENTARY "AMAR, ALONE IN THE WORLD?"

After a bombing in Iraq, an "orphaned" Amar is taken to the U.K. His mother Zahra survives, and her search begins. This documentary tells the story of that search.

POLITICS/GOVERNMENT

Monday, 4/1/2019: 1:00 pm: Maine Calling - LEGISLATIVE UPDATE

We check in on the latest happenings from Augusta.

Tuesday, 4/2/2019: 1:00 pm: Maine Calling

"THE MATRIARCH: Barbara Bush and the Making of an American Dynasty" by Susan Page

"The Matriarch," will be published on April 2. It tells the story of Barbara Bush, a woman who helped define two American presidencies and an entire political era. This biography is informed by more than one hundred interviews with Bush friends and family members, hours of conversation with Mrs. Bush herself in the final six months of her life, and access to her diaries that spanned decades.

Monday, 4/8/2019: 2:00 pm: COMMONWEALTH CLUB OF CALIFORNIA

Andrew McCabe, Former Deputy Director of the FBI

Just 26 hours before he was scheduled to retire, FBI Deputy Director Andrew McCabe was fired by the U.S. attorney general. Now McCabe is telling his side of the story, and he offers a candid account of his career at the FBI, his work with Robert Mueller and James Comey, and investigations into Benghazi and Hillary Clinton's email server.

Tuesday, 4/9/2019: 2:00 pm: CITY ARTS AND LECTURES

Preet Bharara former U.S. Attorney for the Southern District of New York. In 2017 he was fired by President Trump within a few weeks of Trump's inauguration.

Bharara is the host of the podcast Stay Tuned with Preet, and author of the book *Doing Justice: A Prosecutor's Thoughts on Crime, Punishment, and the Rule of Law*.

Wednesday, 4/10/2019: 1:00 pm: Maine Calling - SOCIALISM

The term "socialist" is being thrown around often in today's politically charged climate, but is it being used accurately? We explore the history of socialism, how its meaning may have changed over time, and how it applies to our nation and world today.

Tuesday, 4/16/2019: 2:00 pm: COMMONWEALTH CLUB OF CALIFORNIA

Mayor of South Bend Indiana Pete Buttigieg: Democratic Presidential Candidate.

Mayor Pete Buttigieg has already been the youngest mayor of a city with at least 100,000 residents, and he was the first openly gay municipal executive in Indiana.

Wednesday, 4/17/2019: 2:00 pm: INTELLIGENCE SQUARED

A debate on the following question: Should the Republican Party Re-Nominate Trump?

Thursday, 4/18/2019: 2:00 pm: Live NPR Coverage of Here and Now on the Mueller Report

Tuesday, 4/23/2019: 1:00 pm: Maine Calling - CONGRESSWOMAN CHELLIE PINGREE

Maine's 1st Congressional District Representative joins us to discuss the latest news from Washington, including her work on prescription drug pricing, climate change and farming, and ocean acidification. We'll also ask what it's like working in the majority party.

Tuesday, 4/30/2019: 1:00 pm: Maine Calling - MONTH IN REVIEW

Our panel of editorial page editors returns to discuss the news that made Maine headlines in April.

Monday, 5/6/2019: 1:00 pm: Maine Calling - LEGISLATIVE UPDATE

We'll discuss some of the significant legislation making its way through the legislative process, including the polystyrene ban, paid leave bills, budget negotiations and other bills in the news.

Monday, 5/20/2019: 2:00 pm: COMMONWEALTH CLUB OF CALIFORNIA

Valerie Jarrett on Politics, the Obamas and "Finding My Voice"

Valerie Jarrett, author of "Finding My Voice: My Journey to the West Wing and the Path Forward," tells the story of how she became the ultimate White House insider, during the presidency of Barack Obama.

Tuesday, 5/21/2019: 1:00 pm: Maine Calling - RED FLAG BILL

Fifteen states currently have a Red Flag law, which permits police or family members to petition a court to order the temporary removal of guns from any person who may present a danger to themselves or others. A public hearing about a proposed Red Flag law for Maine was held in April and a work session on the bill took place in early May. We'll learn about the bill's status and the arguments for and against such a law.

Friday, 5/31/2019: 1:00 pm: Maine Calling - MONTH IN REVIEW

Our panel of editorial page editors joins us to discuss the news that made headlines in May, as well as the other stories that grabbed their attention.

Thursday, 6/6/2019: 2:00 pm: WORLD AFFAIRS

Rebuilding the Social Contract, Part 3 Policy and Polity

The final program in our series "Rebuilding the Social Contract." In this episode, an examination of the role of government in strengthening the social safety net, ensuring that all citizens are given the opportunity to succeed while holding those who break the rules accountable.

Thursday, 6/13/2019: 2:00 pm: CITY ARTS AND LECTURES

Georgia Gubernatorial Candidate Stacy Abrams, who made United States history when she became the first black woman to be nominated by a major party for governor. Despite winning more votes than any other Democrat in Georgia's history, Abrams lost the hotly contested election.

RELIGION

Monday, 4/29/2019: 1:00 pm: Maine Calling - GOD AND SEX IN AMERICA

Scholar Marie Griffith joins us to discuss the origins and growth of the religious right as a political force, and how it has transformed America's broader culture and public life. Griffith investigates the pervasive fears driving our sex-obsessed politics, especially when it comes to issues such as birth control, obscenity, interracial relationships, female chastity, sex education, abortion, sexual harassment, and LGBTQ rights. Griffith is in town as part of the University of New England Crosley Lecture Series.

Friday, 6/21/2019: 1:00 pm: Maine Calling

Secularism in Maine: What Does It Mean to Be Secular and How Does It Manifest Itself in Maine?

We discuss what secularism is, whether it's on the rise in Maine and nationwide, and what misconceptions people may have about what those who place themselves in this category believe, or don't.

SCIENCE

Friday, 4/26/2019: 1:00 pm: Maine Calling - WELCOMING SPRING

In coordination with the Nature/PBS series "American Spring LIVE" (airing April 29, 30 & May 1) and Maine Public's tie-in event at the Gisland Farm Audubon Center on April 27th, our Maine Calling will highlight nature appreciation, science education, citizen science—and we'll ask callers to share what signs of spring they look for in their part of the state and how they are getting involved with their natural surroundings.

Wednesday, 5/15/2019: 1:00 pm: Maine Calling - ASTRONAUT JESSICA MEIR

NASA recently announced that astronaut Jessica Meir will take her first space flight this fall. She takes a moment away from her busy training to talk about her upcoming mission to the International Space Station and to share an inside look at the life of an astronaut.

Monday, 6/3/2019: 2:00 pm: INTELLIGENCE SQUARED

A debate on the following question:

Is Engineering Solar Radiation a crazy idea?

What are the risks – and possible rewards – of using techniques like injecting reflective particles into the stratosphere to decrease global temperatures?

TECHNOLOGY

Tuesday, 4/2/2019: 2:00 pm: WORLD AFFAIRS

"Surveillance Capitalism: How Silicon Valley Profits from Tracking Us"

In the modern age of Facebook, Google, and smart devices, most of us are under 24-hour surveillance. These data points are collected by large tech companies and are in turn sold to and used by governments and businesses alike to influence our behavior. Dr. Shoshana Zuboff discusses her new book, *The Age of Surveillance Capitalism*, which explores what can be done to protect democracy and free thought against these new threats.

Wednesday, 4/3/2019: 1:00 pm: Maine Calling - TECH TEAM

Apple unveils its new streaming service, a new news service and a gaming service. It has also updated its AirPods and some of its iPads. Samsung has released its latest Galaxy line of cellphones. And smart speakers continue to make inroads into everyday appliances. We'll check in with our tech experts for the latest news from the world of smart phones, PCs, tablets and e-readers.

Tuesday, 4/30/2019: 2:00 pm: BBC DOCUMENTARY - Will AI Kill Development?

Will robotization prevent poorer countries from taking the traditional route to growth and prosperity? The BBC looks at evidence from across the world, to examine opportunities for developing countries in the new global AI economy.

Wednesday, 5/29/2019: 2:00 pm: INTELLIGENCE SQUARED

A debate on the following question: Should we all hail the driverless car?

What if the next car you buy or taxi you hail drives itself? Driverless cars, also known as autonomous or self-driving vehicles, are currently in test-drive mode around the globe. Should we proceed with caution? Or embrace the driverless car?

Monday, 6/17/2019: 1:00 pm: Maine Calling

THE PROMISE AND PERIL OF ARTIFICIAL INTELLIGENCE

For some, artificial intelligence conjures up images of The Terminator or West World. Others see great promise in AI. Our panel discusses what is technologically possible today. They also forecast the potential power of AI in fields such as medicine and education, but also the potential dangers—from promoting biased or false information, to ethical concerns.

Wednesday, 6/19/2019: 1:00 pm: Maine Calling - *TECH TEAM*

Our panel of personal computing experts join us to discuss changes in the world of technology – from cord-cutting to tablets vs e-readers, iOS vs Android.

Monday, 6/24/2019: 2:00 pm: WORLD AFFAIRS - A Technological Brave New World

New York Times columnist Tom Friedman discusses the rapid, sweeping changes in modern life that are imposing new challenges upon society — but are also creating new opportunities.

YOUTH

Monday, 4/15/2019: 1:00 pm: Maine Calling - *ANXIETY IN CHILDREN*

The latest Kids Count Data Book reports that Maine children have the highest rate of diagnosed anxiety in the country, as well as high rates of depression and suicide. We learn what causes, signs and treatments are for anxiety in young people, as well as resources available to children and families.

Thursday, 4/18/2019: 1:00 pm: Maine Calling - *YOUTH HOMELESSNESS*

In conjunction with Robbie Feinberg's reporting on this issue, we examine the issue of youth homelessness in Maine, how big of a problem it is and what's being done to address it.

Monday, 4/22/2019: 1:00 pm: Maine Calling - *THE NEW CLIMATE CHANGE ACTIVISTS*

Inspired in part by 16-year-old Swedish climate activist Greta Thunberg, a new generation has mobilized in taking any action against climate change. We will talk with youth activists from Maine to talk about how they put their passion into action, and what they hope to achieve.

Monday, 6/24/2019: 1:00 pm: Maine Calling - *WHAT'S AHEAD ON THIS WEEK'S CHILD CARE SERIES*

We hear from Maine Public News team editors and reporters, as well as from Tara Williams, Executive Director of the Maine Association for the Education of Young Children, about the issues we'll be covering during this week's special deep dive series on Child Care in Maine.

Friday, 6/28/2019: 1:00 pm: Maine Calling - *CHILD CARE SERIES CONCLUSIONS*

Our panel of experts weighs in on possible solutions to childcare issues in Maine.

2ND QUARTER

MAINE THINGS CONSIDERED

APRIL TO JUNE 2019

AIRTIME: 5:30 - 6:00 P.M

Maine Things Considered is a 30-minute, daily news program broadcast weekdays at 5:30 p.m. on the stations of Maine Public Radio. Each program consists of a newscast lasting seven minutes, four to five longer reports lasting three to seven minutes each, and a weather forecast lasting one to two minutes. *Maine Things Considered* airs news reports and feature stories about the people and issues that affect our listeners' lives. We place a special emphasis on covering state government, particularly the state legislature. We also place a special emphasis on the following coverage areas: Crime, corrections, and the courts; cultural issues; the disabled and disadvantaged; the economy; the environment; health issues; the media; minorities and civil rights issues; politics; religion; women's issues; and youth.

Our mission is to enrich the minds and engage the lives of our listeners. To that end, the reports aired on *Maine Things Considered* aim not only to inform, but to empower. We hope the reports aired on *Maine Things Considered* prompt our listeners to effect positive changes in their lives and in the state of Maine.
