## Summer Quarter 2013

The Capitol Coverage Project reports from the Colorado State Capitol on issues concerning the state and KSUT's broadcast region. This is a project of Rocky Mountain Community Radio, an association in which KSUT is a member. We air several reports per week.

Good Dirt Radio is locally produced and airs weekly on KSUT. Good Dirt Radio's mission is to educate the public about the connection between individual actions and a healthy future for our planet and encourages citizens to embrace positive solutions.

National Native News is broadcast twice daily Monday through Friday and features news and issues from Indian country.

Local Public Service is provided by the KSUT community calendar which features local PSAs twice a day Monday through Friday.
