**SENT VIA EMAIL**

RE: Certification of Compliance, 2020

Dear Partner,

This Letter is intended to assist you in satisfying your obligations under i) the Children's Television Act of 1990 (the "CTA"); and ii) the Telecommunications Act (Accessibility of Video Programming), and any FCC regulations relating thereto in connection with your carriage of our video programming services, Insight TV.

**CTA**

TV Entertainment Reality Network B.V. (trading as "Insight TV") hereby certifies that Insight TV did not air children's programs (as defined in the CTA) in 2020, and we trust that this enables you to satisfy your obligations under the CTA in connection with your carriage of Insight TV.

**Closed Captioning**

In addition, Insight TV has established that a number of self-implementing exemptions apply to it. Section 79.1 (d) (Title 47, Chapter 1, Subchapter C, Part 79, Sub part A, §79.1) on Accessibility of Video Programming provides that any video programming or video programming provider that meets one or more of the following criteria shall be exempt from having to provide Closed Captioning:

A. 79.1 (d) (9): Programming on a video programming network for the first four years after it begins operations (...).

B. 79.1 (d) (12): No video programming provider shall be required to expend any money to caption any channel or stream of video programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year (...). For the purposes of this paragraph, each programming stream on multicast digital television channel shall be considered separately for purposes of the \$3,000,000 revenue limit.

Ad A: With reference to paragraph 154 of the Report and Order (MM Docket No. 95-176) and footnote 552 of the 2014 Report and Order on Closed Captioning of Video Programming (CG Docket No. 05- 231) the four-year exemption commences from the date the new network has launched. Since Insight TV only launched in the US as of October 2017, this exemption applies up until October 2021.

Ad B: In addition to the exemption of section 79.1 (d) (9), Insight TV is also exempt under section 79.1 (d) (12), as the annual gross revenue produced on Insight TV's US channels in the previous year has not exceeded the \$3,000,000 threshold, nor will it exceed such threshold in 2020.

Sincerely yours,

On behalf of Insight TV

Brian Bester, CEO

Graeme Stanley, CCO

\* “The Children’s Television Programming Rules Order, FCC 19-67 (released July 12, 2019), deleted the obligation for station’s that multicast to air three (3) hours of digital Children’s CORE programming for each multicast channel. The primary signal of a station may complete its Children’s CORE obligation by airing either (i) three (3) hours per week (as averaged over a six-month period) of CORE Programming, or (ii) 156 hours of CORE Programming annually, including at least 26 hours per quarter of regularly scheduled weekly programming of at least 30 minutes in length and up to 52 hours annually of CORE Programs of at least 30 minutes in length that are not aired on a regularly scheduled weekly basis, such as educational specials and regularly scheduled non-weekly programming, and/or other non-regularly scheduled programming and short-form programming, such as PSAs and interstitials. In retaining the existing three (3) hour per week (on average) requirement the FCC also expanded CORE Programming hours to be between 6 a.m. to 10 p.m. local time, and allows stations to also air thirteen (13) hours per quarter of the regularly scheduled weekly CORE programming on a multicast stream. Accordingly, stations need to air at least two-thirds of their total annual CORE Programming hours (i.e., 104 hours) on their primary streams and no more than one-third of their total CORE Programming (i.e., 52 hours) hours on a multicast stream. All Core Programming that is not regularly scheduled weekly programming must be aired on a station’s primary stream. TBN and its affiliated stations provide three (3) or more hours of CORE programming on the primary signal, and provide additional Children’s Programming on its multicast channel SMILE 24-hours per day. Further, TBN’s multicast channels Enlace (a Spanish language service), and Hillsong also provide additional Children’s Programming.
