 WTVD (TV) DURHAM, NORTH CAROLINA
 CHILDREN'S TELEVISION ACT
 COMMERCIAL LIMITS AND WEB SITE RULE COMPLIANCE CERTIFICATION**

(4th QUARTER 2011: October 1 - December 31, 2011)

During the Fourth Quarter of 2011, October 1 through December 31, 2011, no programs broadcast by this station were produced primarily for an audience of children 12 years of age and under, except as noted below.

This certifies that all of the programs listed below were formatted (at the times indicated) to allow for no more than 10.5 minutes of total commercial time per clock hour on weekends and 12 minutes of total commercial time per clock hour on weekdays, or half that allotted time for an isolated half hour of children's programming. If a half-hour children's program generally containing 5.5 commercial minutes was paired in a clock hour with a non-children's program, the number of commercial minutes in the children's program would have been decreased to comply with the commercial limits.

Also, all programs listed below complied with Sections 73.670(b), (c) and (d) of the rules of the Federal Communications Commission, 47 C.F.R. section 73.670(b), (c) and (d). None of these programs, and no promotional or public service announcements within or adjacent to these programs, contained any URLs, with the possible exception of (a) fictional URLs in programming, (b) URLs of commercial-free web sites that satisfy 47 C.F.R. section 73.670(b), or (c) URLs, not under the control of the licensee, of non-profit or government entities within public service announcements aired on behalf of those entities or media companies in partnership with those entities.
