**COMMERCIAL LIMITS CERTIFICATION**

Following is a list of all program designed for children twelve years old and younger which were broadcast on WTVD during the first quarter of 2006, 2 April 1, 2006 through June 30, 2006.

This certifies that all of the programs listed were formatted (at the times indicated) to allow for no more than 10.5 minutes of total commercial time per clock hour on weekends and 12 minutes of total commercial time per clock hour on weekdays, or half that allotted time for an isolated half hour of children's programming. If a half-hour children's program generally containing 5.5 commercial minutes was paired in a clock hour with a non-children's program, the number of commercial minutes in the children's program would have been decreased to comply with the commercial limits.
