genealogist to help preserve the history of the North Hills of Pittsburgh and to support Northland Public Library... Genealogists track down the roots of their families, discovering their ancestors... BUT IT'S NOT AS EASY AS IT SOUNDS, AND THERE IS A LOT OF WORK AND RESEARCH THAT NEEDS TO BE DONE IF YOU'RE GOING TO DO A GENEALOGICAL SEARCH PROPERLY... YOU CAN START RESEARCHING YOUR FAMILY'S HISTORY, CEMETERY RECORDS, TAX RECORDS, LAND TITLES, YOUR FAMILY RECORDS EVEN... DEATH ANNOUNCEMENTS ARE ALSO HELPFUL... CHURCH RECORDS MAY SHOW THAT THERE WERE CRIMINALS IN YOUR FAMILY... COURT HOUSE AGO... THE NORTH HILLS GENEALOGISTS HAVE PUBLISHED FAMILY TREE HOUSE SECTION BOOKS OVER THE YEARS, EACH GRAVE STONE HAS BEEN RECORDED IN-DEPTH WITH DATES, RELATIONSHIPS, EPITAPHS, STONE CARVINGS, NAMES AND OTHER NOTATIONS... AND ALL GENEALOGISTS SAY, "DON'T BELIEVE IT UNTIL YOU SEE IT ON THE INTERNET!"

"Sonny Pugar Memorial Inc./
"Rhythms of Life" concert

PROBLEMS / NEEDS / INTERESTS
 Identified by person contacted and interviewed:

Sonny Pugar was a local Pitts-
 burgh-area drummer, always in
 demand. He also toured with
 National acts like "The Coasters" and "The Stylistics". He was a
 published drumming author, so many local Pittsburgh musicians
 played with Sonny over the years. BUT Sonny sadly died from
 colon cancer in 2004 after a courageous 6 year battle.
 Several Pittsburgh musicians came up with the idea of Honoring
 Sonny, as he always loved playing for children. Sonny's widow
 Annie, along with a few other high-profile Pittsburgh musicians
 came up with the "Music Smiles" program, paying musicians
 to play at all the local hospitals. We started at Children's
 all of Pittsburgh, and now we're performing at at least 10
 local Western PA Hospitals monthly. Our "Rhythms of
 Life" concert every October is our signature fundraiser for the
 "Sonny Pugar Memorial Inc." Foundation.

 Identified by person contacted and interviewed:

The Pittsburgh AIDS Task Force (PATE) is Southwestern PA's oldest and largest HIV/AIDS service organization, founded in 1985, and they are dedicated to supporting and empowering all individuals living with HIV/AIDS, and to being relentless in preventing the spread of infection. With this extensive renovation, the PATE now has an expanded pharmacy office, an enlarged food pantry, a new HIV/STI testing center program, additional space to add on-site Behavioral Health case, combined with PATE's existing new model of comprehensive coordinated and integrated care for HIV/AIDS clients, with their existing vital social services. PATE last year served nearly 650 clients living with HIV in 11 counties.
