3rd Quarter 2009

Placed In Public File: Ooctober 9<sup>th</sup>, 2009

The following is a listing of WMSN's commitment to air significant programming while addressing important community issues.

Programming	Segment	Date	Time	Duration	Description of Program
Educational/ Informational	Archie's Weird Mysteries	Mon.-Thurs. (7/01/09 - 8/27/09)	7:30am	½ Hour	Each week, Archie and the gang negotiate their way through yet another "weird mystery." They encounter many of the same problems and issues confronting today's pre-teens such as how to get along with others, how to build and maintain self-confidence, and the values and behaviors that lead to both self-respect and respect from others. Because Archie, Jughead, Betty, Veronica and their classmates are engaging characters with whom young viewers easily identify, they serve as excellent role models. As they deal with such pro-social issues as honesty, perseverance, dependability, diversity, self-reliance, and self-respect, their struggles teach young viewers certain "life lessons" that both parents and teachers value. Program will simulcast on WMSN's analog & digital channels.
Educational/ Informational	Trollz	Fri-Sat. (7/3/09- 8/29/09)	7:30am	½ Hour	Trollz is a program that centers on 5 troll girls on the cusp of adolescence and their new powers. As they struggle to master their new powers, they must also struggle to find out what it means to be a good citizen, a good friend and a good person. In their struggle the girls have help from their teachers and the Ancients, Troll elders. The 5 girls each have different personalities. As the girls enter adolescence, the evil gremlin, Simon is awakened and plots against the Trollz. The girls must work together to foil Simon's evil plans. They make mistakes but together they correct and learn from their mistakes. The characters also learn how to accept responsibility, how to deal with jealousy, what it means to be a good friend, to respect each other's differences, to know when to ask for help, the value of cooperation and the importance of being true to oneself.
Educational/ Informational	Teen Kids News	Saturdays (7/04/09- 9/26/09)	7:00am	½ Hour	Teen Kids News features weekly educational features such as, "College and You(tips for choosing and getting into college), and "Word," (vocabulary skills training), as well as informational features for teens, such as reports about healthy eating; driving tips for new drivers, and internet predators. The show has been designed to meet needs of children and young adolescents with a unique curiosity about their world, with weekly headlines that present the news in a teen appropriate manner. The program stimulates the viewer's curiosity, develops their learning and cognitive, listening and thinking skills, and serves as an enhancement of their academic and educational experience. Program will simulcast on WMSN's analog & digital channels.
