Ashe GOP 2022 – Crime – 159 words

Hello friends, this is Jonathan Jordan, your conservative champion.

Violent crime in our nation is spiking!

14 major Democrat-run cities

have seen all-time high homicide records for 2021.

Windows smashed, businesses burned, livelihoods wrecked.

And that's what the liberals tell us are "peaceful demonstrations."

All of us have seen the radical left and their destruction.

This is the legacy of putting liberal Democrats in charge.

This November, you have a choice.

It's between law or lawlessness.

Order or chaos.

Police or criminals.

You deserve to be safe in your home and in your community.

And to be free from the fear of violence.

If you've had enough, you have a choice and a responsibility.

Let's start a red wave, up and down the ballot.

A conservative Senator, state legislature, judges, county commissioners, and board of education.

That's the secret to a winning economy and a strong America.

Vote conservative and prosper.

Ashe GOP 2022 – Economy – 153 words

Hello friends, this is Jonathan Jordan, your conservative champion.

The worst inflation in decades!

According to Fox Business, inflation is costing the average American an extra 717 dollars per month.

Making the Great Recession of 2008 look like a cakewalk.

That is the legacy of a liberal Democrat administration.

Sleepy Joe Biden wants the money in your pocket to evaporate away due to the bite of inflation.

Governor Cooped-Up Cooper wants to close down small businesses.

When will we learn? Liberal Democrats are always a disaster to our pocketbooks and our families.

This November, you have a choice.

Do you want socialism or our American way of life?

Let's start a red wave, up and down the ballot.

A conservative Senator, state legislature, judges, county commissioners, and board of education.

That's the secret to a winning economy and a strong America.

Vote conservative and prosper.

Ashe GOP 2022 – Border – 160 words

Hello friends, this is Jonathan Jordan, your conservative champion.

How about this disastrous national immigration situation?

Biden's Border Crisis is an ongoing disgrace
on the southern border of our nation.

This nightmare is the direct result
of woke, left-wing progressive policies.

Nobody believes the Democratic line
that the fair and compassionate way to govern our country
is to endure this lawlessness, chaos, and human suffering.
Legal and orderly immigration has been a proud strength
of our country and a core pillar of our American way of life for generations.

When will we learn? Liberal Democrats are a national disaster.

This November, you have a choice.

Do you want socialism or our American way of life?

Let's start a red wave, up and down the ballot.

A conservative Senator, state legislature, judges, county commissioners, and board

Ashe GOP 2022 – Education – 161 words

Hello friends, this is Jonathan Jordan, your conservative champion.

The first state budget I ever voted on in Raleigh had about \$8 billion for K through 12 schools.

The latest budget has more than \$11 billion.

Under our conservative legislators in Raleigh, starting teacher pay has increased to \$37,000 and average teacher pay to more than \$53,000.

A Republican legislature has proven their commitment to increasing compensation for educators, *including our local supplement numbers* passing pay raises not only for teachers, but also for principals, assistant principals and other state employees who work in education.

And Ashe County Commissioners have ~~dramatically~~ increased our *support* ~~local teacher supplement and also boosted pay~~.

for our cafeteria workers, school bus drivers, and others.

This November, let's start a red wave, up and down the ballot.

A conservative Senator, state legislature, judges, county commissioners, and board of education.

That's the secret to a winning economy and a strong America.

Vote conservative and prosper.
