Webchannel/Mobile/Streaming/Aps: North Platte Nebraska has a place to go for local news and information online and on the go. As more people turn to alternative means for information on a daily basis, people can count on KNOP-TV (KNOPNews2.com) to be the local news and information leader on all platforms. KNOP News2's website is an important source of local news stories of all kinds, emergency information, severe weather, amber alerts, community information, public service, and other resources. News2's various digital platforms also feature live streaming throughout the day whether a scheduled newscast, or breaking news or weather of local importance, and also meet online closed captioning requirements.
