**ISSUE RESPONSIVE PROGRAM LISTING**  
October November December 2015

Submitted January 7, 2016

As per revised Federal Communications Commission Public Inspection File Rule (section 73.3526(A)), this document is submitted in the licensee's good faith judgment.

The issue responsive news stories listed are those that represent the station's more significant treatment of the issues that we believed to be of the greatest concern during the preceding 3 months.

In order to allow for extended listener responsiveness, community ascertainment are conducted on an on-going basis. Areas not covered within our programming and news segments are addressed in public service announcements.

The following issues were of greatest community concern to the listeners in the Town Square Media Walton broadcast area for the quarter:

- Community Concerns
- Health/Safety
- Political Issues
- Education
- Arts/Entertainment
