Issues/Program Report for Q3 2023

WINN makes an ongoing effort to serve the community of Columbus and the surrounding area. As part of this effort, WINN has identified the most significant needs, problems and interests for our coverage area. This quarterly report documents the programming provided by WINN in response to these identified community issues. Key areas and the issues addressed during this period are verified in the attached documentation. This list is not inclusive, but does represent primary focal areas.

WINN News Director John Clark has noted the following as significant issues during the July 1, 2023 through September 30, 2023 time period:

- Arts, Entertainment and Quality of Life
- Education
- Employment and Economic Development
- Local Government and Elections
- Health and Pandemic
- Public Safety and Drug Abuse

This letter with the attached documentation was placed in the WINN Online Public Inspection File on October 10, 2023.

## Statement of Scheduled Community Service and Public Affairs Broadcasting

WINN-FM

October 10, 2023

WINN-FM provides a broad spectrum of regularly scheduled public affairs and community service support in a diverse array of broadcast ventures. Newscasts provide a key resource in public affairs and information dissemination. Included in the regularly scheduled news broadcasts are:

Regularly scheduled broadcasts Monday through Friday at 5:50 a.m., 6:20 a.m., 6:50 a.m., 7:20 a.m., 7:50 a.m., 8:20 a.m. and 8:50 a.m. Each newscast is inclusive of national, state and regional information with heavy emphasis on ascertained community based issues as ascertained to be supportive of the public trust.

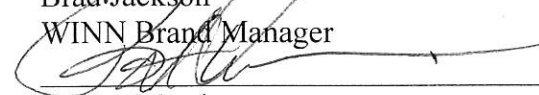

Newscasts aired Monday through Friday at 11:50 a.m., 3:50 p.m. and 4:50 p.m. fulfill the same criteria supporting the public trust.

Non-scheduled news bulletins, including weather and other breaking information as incidents occur, and in collaboration with the General Manager and full time news staff.

In addition to newscasts and breaking news bulletins, WINN-FM also maintains a deep commitment to community service through its public service announcement programming, emphasizing events and activities in the community of license, and providing wider information distribution as time allows. Examples of the diversity of public service programming are attached in this quarterly report.

Every opportunity to allow for public input is encouraged and supported to ensure meeting the station community of license public trust obligations.

Station personnel provide critical support, above and beyond the mandates of public service, by involving themselves in key community projects, and as members of boards and commissions of not for profit organizations within the community.
