Dear Mr. Sumrall:

We have completed our review of the response of LeSEA Broadcasting of Hawaii, Inc. ("LeSEA"), licensee of the above-noted stations, to the March 23, 2009 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required.

In accordance with Section 73.3526(e)(10) for commercial stations or Section 73.3527(e)(11) for non-commercial stations, LeSEA must place copies of this letter, our March 23, 2009 audit letter, and its response in the public inspection file of each station. LeSEA must maintain these materials in the files until grant, by final order, of the next renewal applications of its license for the stations.

Should you have questions regarding this matter, please contact Wylene Winston of the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Roy J. Stewart".
