Re: Must Carry Election

Dear Ms. Ramsey:

WMFP-TV is in receipt of your letter dated June 20, 2013 regarding TDS' intention of commencing cable services in the Hollis, New Hampshire area within the Boston (Manchester) Designated Market Area. Based upon this letter, NRJ TV Boston License Co, LLC, licensee of television station WMFP-TV, RF channel 18 and virtual channel 62, hereby provides written notice, pursuant to Section 76.56 of the Rules and Regulations of the Federal Communications Commission ("FCC"), that it elects must carry on all of the cable systems you operate in the Boston, MA Designated Market Area, including Hollis, NH, and all communities served by that headend, for the period ending on December 31, 2014.

We request that the signal of WMFP-TV be carried on an available mutually acceptable cable channel that is in immediate range with the other television stations in the market. Note that WMFP is delivered to a majority of cable viewers in the Boston area on cable channel 20, so in the absence of any conflicting request, that channel would be our preferred assignment on your system.

Please contact Kara Treece at 402-554-4237 if you have any questions regarding this election. We look forward to our ongoing, successful relationship.

Sincerely,

Robert Andrews
Sr. VP
