POST-FILING ANNOUNCEMENTS
(Commencing December 1)

On March 31, 1997, WSST-TV was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until April 1, 2005. Our license will expire on April 1, 2005. We have filed an application for license renewal with the FCC. A copy of this application will be available for public inspection during our regular business hours. It contains information concerning this station's performance during the last seven years. Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the Commission by March 1, 2005. Further information concerning the Commission's broadcast license renewal process is available at the WSST-TV studios, 112 South 7th Street, Cordele, Georgia, or may be obtained from the FCC, Washington, D.C. 20554.
