WSST-TV PRE-FILING RENEWAL ANNOUNCEMENT

START DATE: October 1, 2012

On March 31, 2005, WSST was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until April 1, 2013. We must file an application for renewal with the FCC by December 3, 2012. When filed, a copy of the renewal application will be available for public inspection during our regular business hours. The application will contain information concerning the station's performance over the last 8 years. Individuals who wish to advise the FCC of facts relating to our renewal application and to whether the station has operated in the public interest should file comments and petitions with the FCC by March 1, 2013. Further information concerning the FCC's broadcast license renewal process is available at the WSST studios located at 112 7th Street South, Cordele, Ga. 31015 or may be obtained from the FCC, Washington, DC 20554, www.fcc.gov.
