WSST POST-FILING RENEWAL ANNOUNCEMENT

Starts : December 1, 2012

On March 31, 2005, WSST was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until April 1, 2013, when the license expires. We filed an application for License Renewal with the FCC on or before December 3, 2012. A copy of that renewal application is available for public inspection during our regular business hours. The application contains information concerning the station's performance over the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether the station has operated in the public interest should file comments and petitions with the FCC by March 1, 2013. Further information concerning the FCC's broadcast license renewal process is available at the WSST studios located at 112 South 7th Street, Cordele, Ga. 31015 or may be obtained from the FCC, Washington, D.C. 20554 or their website at www.fcc.gov
