**Subject:** Stop the Hate with Pursuing Life & Liberty PSAs

Hello Station,

How is your summer going? It is hard to believe we are already halfway through June!

I have a 2 great 60-second PSAs for your listeners from **Pursuing Life & Liberty**. These two PSAs ask important questions about our government and America as a nation.

In **"Poverty is Everywhere,"** open your listeners eyes to what poverty looks like in the USA. In the second PSA, **"Stop the Hate,"** help your listeners reflect on how we can stop shaming others who do not share our same opinions.

Listen to the 2 PSAs and [sign-up to air these 60-second PSAs](#) at the link below:
