Quarterly PSA Report

January - March

Source: Insight - News Broadcast

Panel: John & Josh Rosenstern

Air Date: 3/9/23

Duration: 25 Minutes

Synopsis: Topics Discussed on Today's Program:

Topic:

- Today on Insight, John Rosenstern warns of an era of big government on the horizon as banks show concerns for investors. The recent warning includes three risks expected to continue to increase: higher government debt, higher wage costs, and higher credit costs. The FDA declares its support for abortion, and the upcoming Domestic Extremism bill may hinder free speech in the United States.
- Brother John shares the latest Social Security concerns as he lays out current retirement statistics.
