View Points	WKPL	4/2/23	6am	22:40	Synopsis: Between February 2020 and May 2022, around 300,000 teachers left teaching to pursue another profession. While the COVID-19 pandemic is no longer a front and center issue, millions of public-school educators are still struggling to keep going in positions that mean long hours, low pay and a growing number of curriculum mandates. In part one of this story, first grade teacher Lori Cash - who's taught for more than 30 years - shares the challenges teachers are facing and touches on a few points that need to change.
View Points	WKPL	4/9/23	6am	23:00	Synopsis: Who do you think of when you read or hear the word, psychopath? Rarely does anyone think of the neuroscientist next door. We speak to two experts about what the term means in the medical world and why many people who have psychopathic tendencies can function in a non-violent, productive manner.
