					<p>The weather is starting to cool which may bring some family gatherings indoors. Health leaders I spoke with say it may be too early to predict what the holidays will look like, even fully vaccinated gatherings. Health leaders say a new variable is in play this year, covid-19 vaccines. These vaccines weren't available for the holiday season in 2020. At this time the coronavirus dashboard shows nearly 55 percent of eligible Ohioans have started the vaccination process.</p> <p>President Biden this morning touching down in Scotland, prepared to push foreign leaders here to slash carbon emissions. But, the U-S credibility is also at stake, as Congress has yet to pass the President's massive spending plans, including half a trillion dollars in clean energy and climate commitments. This week's gathering follows the first in-person G-20 Summit in two years, the President announcing new steps to ease bottlenecks that have snarled the global supply chain.</p>

		4PM	11/2/2021	132 seconds	First At 4	<p>This is the first major election day since President Biden took office and the Governor's race here in Virginia is particularly tight and could be potentially telling about the national picture. In a series of state and local races that put a spotlight on national issues, from police reform in Minneapolis to vaccine mandates in New York City. But the election comes as the President's national approval ratings are dropping with his agenda stalled in Congress leading to voter frustration that could depress democratic turnout. Many believe the Virginia results could be a leading indicator of where next year's midterm elections are headed, potentially shifting control for the House and Senate.</p>
2.1	Politics	4PM	11/4/2021	103 seconds	First At 4	<p>After several close races overnight, Democratic Governor Phil Murphy narrowly reelected in New Jersey the closeness of that race, shocking democrats. Another warning sign after that stunning setback in Virginia, President Biden, now looking to turn the page deflecting any blame for the loss when pressed. While some Democrats quietly pointing the finger at President Biden for not having what they say is a stronger legislative strategy. The President and his party, now attempting to chart a path forward. With the House potentially voting this week on two massive spending measures, including Mr. Biden's 1.75 trillion dollar Build Back Better Bill. But that's still not a done deal, with House Democrats adding Paid Family and Medical Leave back into the measure, a move that could hurt its chances in the Senate.</p>

						<p>The Human Services Levy is the largest in Montgomery County, providing critical funding for a number of agencies. For Health & Human Services the 73 million dollar Human Services Levy renewed in Montgomery County, guaranteeing 73 million dollars every year over 8 years. This money helps various agencies in the county, including children and addiction services as well as public health. And during the covid-19 pandemic when these services stretched thin, Karl Keith, the Montgomery County Auditor, says it was more crucial than ever this levy was renewed. The Human Services Levy was a renewal and will not raise taxes for people in Montgomery County.</p>

					Nearly three years after Jussie Smollett first reported he was the victim of a racist and homophobic attack, the former Empire actor testifying in his own defense charged with six counts for felony disorderly conduct, for allegedly faking the attack and lying to the police about it. Smollett seen on this police body camera video wearing the noose he told investigators the attackers put around his neck, after yelling slurs, beating him, throwing bleach on him, and saying "this is maga country". Abimbola Osundairo testified Smollett said, "he wanted me to beat him up". Smollett insisting, he's innocent.

						In partnership with the Ohio Department of Natural Resources Division of Wildlife, Fiver Rivers Metro Parks Regional Conservation Manager Grace Dietsch says recycling your Christmas tree, good for the fishes. In 2019, Dietsch says nearly 750 trees were put into Eastwood Lake, this year, the goal, collecting anywhere from 6 to 800 Christmas trees, and they have to be real and cleaned. Once collected, it's time to sink the trees. Tree collection runs from December 26th through January 16th with a pause on New Year's Day. The goal is to sink the trees on January 19th.
2.1	Environment	11PM	12/13/2021	74 seconds	2 NEWS @ 11PM	With just ten days left until christmas, rising costs are hitting Americans hard, during the busiest shopping season for the year. New data from the Labor Department shows one key measure of inflation, "wholesale prices: skyrocketing nearly 10% compared to last year. That's the fastest spike since the government started keeping track in 20-10. For many businesses, inflation means supplies cost more, and in some cases they're forced to charge their customers more, or lay off workers. More than 70-percent of small business owners say rising prices have had a significant impact on their business in the past year. All of it causing more stress in a hoiliday season, already slowed down by supply chain constraints and huge consumer demand.
