04/13	Jose Luis Garcia		It is frustrating dealing with the issues we have with our children, but things will get even more difficult without our trust in Him.
04/14	Jose Luis Garcia		How you communicate with your child when trying to make a point is very important. Chances are if you are in a shouting match with them, you have already lost.
04/17	Jose Luis Garcia		We must teach our children the difference between Faith and Hope. They are similar but not the same.
04/20	Jose Luis Garcia		Kids will get discouraged without a plan in their lives. We must show them that even in the driest desert, God can make it rain.
04/21	Jose Luis Garcia		Rebellion against authority comes in many forms and in all ages. When our children do it, we must teach them why they should obey.
04/22	Jose Luis Garcia		When we notice our kids liking someone, we must teach them that cultivating a relationship will only help them in their marriage later on.
04/23	Jose Luis Garcia		Holiness does not mean perfection. We must teach them to be holy and what that entails.
04/27	Jose Luis Garcia		We must lead our children on a path with a purpose and we must prepare them for what lies ahead.
04/28	Jose Luis Garcia		“Follow your heart” is a dangerous message because our heart is not always the best dictator of emotion. Living according to inspirational messages is not always the best life plan.
04/29	Jose Luis Garcia		A corrupt society does not have the answers our children are looking for. They must be grounded in the Word to find those answers.
