MISSION STATEMENT:

✱ “All of God’s Children Need Shoes” is a non-profit organization that was organized on August 22, 2013 for the purpose of reaching out to the homeless and the poor in our community. We meet with them at Mt. Pisgah AME Church breakfast ministry for the purpose of seeking out those who need shoes.

Our mission is to provide shoes for the homeless and poor of our community. “All of God’s Children Need Shoes” is my passion! The ministry will provide donated shoes for walking and dress to help these persons to have the proper shoes for their feet. We will not only provide shoes for their feet, but also a Word from the Lord to help them better prepare themselves to move from “homelessness” to become active members of our communities.

“Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me”.

Subject: City of Sumter Requiring Facial Coverings – Effective July 3
Attachments: 2687, Ordinance Requiring Face Coverings.pdf

Flag Status: Flagged

SUMTER, S.C. (July 1, 2020) – The City of Sumter is requiring facial coverings to be worn by individuals in retail and foodservice establishments beginning July 3 due to the continued spread of COVID-19.

The requirement was approved by the Mayor and City Council to protect patrons, business owners and employees in the City of Sumter. "Businesses in our community are doing all they can to protect their employees and the public," stated Mayor Joe McElveen. "It is our hope that this measure reinforces these efforts."

Facial coverings will be required in any foodservice establishment that sells prepared food on a dine-in, delivery, carry-out, or drive through basis, and in any retail establishment that includes grocery stores, convenience stores, commercial stores, pharmacies, alcoholic beverage stores and laundromats. All customers are required to wear facial coverings while inside the enclosed area of these establishments. Staff in these establishments shall wear masks during interactions with the public and at all times when social/physical distancing with other staff are not possible.

Facial coverings will not be required in the following circumstances: outdoor areas of these establishments in which social/physical distancing may be observed, for people whose religious beliefs or medical condition prevent the wearing of a facial covering, for children under eight years old, for customers during the consumption of food, in private offices, and during compliance with law enforcement's directions.

Any customer or employee of these establishments that is found in violation of this requirement shall be subject to a penalty of no more than \$50.00. Each day of continuing violation shall be treated as a separate offense.

A full copy of the Emergency Ordinance enacting this requirement, including definitions, exemptions and expiration can be found on our website at www.sumtersc.gov.
