Westerman: High school football in Arkansas's 4th District is as good as it gets with a long list of champions across classifications. The real winners are the student athletes that learn many life lessons on the field while giving us thrills and memories under the Friday night lights.

I'm Congressman Bruce Westerman and I approved this message because high school football is more than a game....

it's preparation for life.

Announcer: Paid for by Westerman for Congress.
