

## **Pre-filing announcement**

On March 2, 2005, KUVO was granted a license – and on December 9, 2009 KVJZ was granted a license – both by the Federal Communications Commission to serve the public interest as public trustees until April 1, 2013. Our licenses will expire on April 1, 2013. We must file applications for renewal with the FCC on December 1, 2012. When filed, copies of these applications will be available for public inspection during our regular business hours. They contain information concerning these stations' performance during the last license terms.

Individuals who wish to advise the FCC of facts relating to our renewal applications and to whether these stations have operated in the public interest, should file comments and petitions with the FCC by March 1, 2013. Further information concerning the FCC's broadcast license renewal process is available at 2900 Welton Street, Suite 200, Denver, Colorado 80201 or may be obtained from the FCC, Washington, DC 20554.
