Re: Retransmission Consent Election

Dear Mr. Pyle:

We are in receipt of Hamilton County Communications, Inc.'s ("HCC") undated letter stating its intent to initiate a video service in the Illinois counties of Wayne and White, which are in the Evansville, IN Designated Market Area. Nexstar Broadcasting, Inc. ("Nexstar") is the licensee of television broadcast station WEHT(TV), Evansville, Indiana, which is assigned to the Evansville, IN DMA.

Please be advised that Nexstar hereby invokes its rights pursuant to Section 325(b) of the Communications Act of 1934, as amended, and Section 76.64(a) of the FCC's rules, to bar retransmission of the station's signal by HCC on its referenced systems except pursuant to our express written authority granted pursuant to a retransmission consent agreement between you and us. This election is a continuing election from the date hereof through the initiation and continuing provision of service by your systems. In addition, this election is made for each and every community or video service that HCC intends to serve in the Evansville, IN DMA.

We look forward to negotiating a retransmission consent agreement with you for HCC's retransmission of WEHT(TV) on its new system. Please contact the undersigned at eryder@nexstar.tv when you are ready to commence retransmission negotiations.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Ryder", written over a white background.
