ISSUES REPORT

KBSH-DT is a CBS Network Affiliates in their service area. In carrying out their responsibilities as a public trustee, the stations deal with and are responsive to the principal issues arising in its community on a continuing basis. Our most significant programming that has dealt with current community activities and issues during the preceding three-month period is set forth below.

SPECIFIC TREATMENT OF COMMUNITY ISSUES

KBSH-DT is a primary satellite of KWCH-DT and carries local programming listed in the primary Issues and Programs filing. News stories carried in any of five daily newscasts, Monday through Friday, and on three per day newscasts on Saturday, and on two per day newscasts on Sunday, ranging in length of 45 seconds or more, address community issues. In addition, KBSH-DT broadcast locally produced segments listed on the following pages.
