With this being over Zoom and everyone singing at once, we have a nice Round effect going, ha. They were all great sports for participating and for all their help this year! Next, we will have our “Gardens of the Week” segment and feature over 15 pictures from viewers sharing decorations and plants in their landscape. Then we take a virtual tour with Mardi Fair of the Columbia Garden Club and see the decorations at the SC Governor’s Mansion. This year’s theme is “Home for the Holidays”. Traditions are an important part of this season and Terasa Lott shares with us one of hers by making Mincemeat Tarts. Terasa first started helping to make these with her Nan as soon as she was able to hold a spoon and Terasa is keeping the tradition going today. Speaking of traditions, Clemson Agent Tony Melton goes all out when decorating his log cabin/house and we get to take a look. One of the plants synonymous with the holidays are poinsettias, so Clemson Extension Agent Chase Smoak visited Dr. Jim Faust at Clemson University to see and learn more. Some traditions are a little different and that is case at “Making It Grow” Producer Sean Flynn’s house where their Christmas Tree has over 150 Frog Ornaments. And lastly to get ready for 2021, Amanda McNulty creates a New Year’s Arrangement with elements symbolizing the past and the future and in perfect fashion this segment and show ends with sparklers, smoke bombs and fireworks! And as always, we will be streaming the show on the “Making It Grow” Facebook page, so join the fun conversation there with Terasa and Vicky Bertagnolli. We hope everyone has a happy and safe holiday and see you in 2021!
