April 16, 2023 – 5am Louisiana Hometown PSA – 27:59 in length-

The half hour program featured the Louisiana School Boards Association Annual Meeting. The association represents 69 school systems across the state along with 643 school board members. The purpose of the association is to provide support, leadership, and service for the school board members. Each year the association advocates for funding through the Minimum Foundation Program. They are requesting a 2.75% increase in level one. Since

Covid, costs have increased regarding fuel, food, and other supplies needed in the operation of schools. The requested increase will help in continuing the same educational services for the children of Louisiana. Teacher recruitment and retention is also an issue so the additional funding will be needed to keep the state educational system from falling behind. School board members from the Monroe/West Monroe area were in attendance.

April 23, 2023 – 5am Louisiana Hometown PSA – 29:41 in length-

The half hour program featured Louisiana’s Governor John Bel Edwards’ address to the Legislature. This is the 8th time for the Governor to deliver the state of the state address. The governor stated that when he began his first term eight years ago, Louisiana had a 2-billion-dollar deficit. He shared the state currently has a 2-billion-dollar surplus. The governor shared the priorities for this legislative session. He addressed education and the need for more services in higher education and for students to feel safe and be safe while on campus. The governor also talked about the importance of creating more workforce for the state. Shared the need for assistance for service members while they are pursuing higher educational opportunities to better themselves. Support legislation that will waive fees for those service members who are continuing their education. Addressed the shortage of teachers and requesting a \$3000 annual increase for each teacher. Also expressed the challenges of healthcare needs and ways the state has addressed some of these challenges through Medicare Expansion.
