

## QUARTERLY PROGRAMS AND ISSUES REPORT

April 1, 2015

Following are some of the issues addressed during the past quarter:

1. Producing Energy Via Sea Waves
2. Diesel Breakthrough in Bio-tech Fuels
3. New Study Questions Decline of Predatory Fish
4. Prairie Dogs Versus Property Rights in Utah
5. Advice on Healthy Eating
6. Issues Regarding Human Trafficking
7. Making A Safe and Healthy Home
8. Animals That Use Chemical Weapons
9. Animal Rights, Evolution and Christianity
10. Creation and the Constitution

During the past three months KBGN has presented programs dealing with a variety of current international, national and community events and needs in an effort to assist listeners toward a better understanding of issues and resolution of problems. The following programs are among those which are regularly directed toward that end:

*Focus on the Family* – 1/2 hour twice daily (various family and moral issues)

*Compassion Radio* – 26 minutes daily (international benevolence issues)

*Enfoque a la Familia* – 14:30 Saturday (various family and moral issues in Spanish)

*Joni and Friends* – 5 minutes daily (issues of the handicapped)

*Just the Facts* – 1 minute daily (various scientific advancement issues)

*Haven* – 26 minutes daily (various current issues from a biblical Christian perspective)

*Liberty Minute* – 90 seconds twice daily (current freedom issues)

*Basic Gospel* – 25 minutes daily (live counseling)
