<b>Synopsis:</b>	Mixed mask messaging in New York. Students and staff at schools across the Empire State will "still" have to wear masks. The state education department says despite a letter from state health commissioner Dr. Howard Zucker saying the state intended to waive the mandate today, it'll stay in place. Officials say Zucker's letter was actually requesting guidance from the CDC regarding mask-wearing policies at both schools and summer camps. Since the agency hasn't responded to the letter no changes to the current guidelines are being made yet.

<b>Synopsis:</b>	Now that New Yorkers are "facing freedom" for the first time in 14 months, shoppers are weighing in on how they feel about the new mask rules. Save-A-Lot's General Manager Brad Whitmore says he has no plans to require customers show "proof of vaccination." Masks are still required at barber-shops and hair salons in New York, as well as schools, mass transit, and hospitals.

<b>Synopsis:</b>	A new problem with legalizing pot? The Upstate New York Poison Center says more children are swallowing marijuana products. The center's clinical director, Dr. Christine Stork, says pot must be stored and treated like any other toxic product or medicine for safety. Most calls have been for marijuana edibles. She says young kids often mistake these products for candy, which can lead to dangerous consequences.

<b>Synopsis:</b>	Elected officials rallied with pharmacists in Albany this week to save independent pharmacies in New York state. One proposal would require pharmacy benefit managers to be licensed by the insurance department and to come clean about the discounts or rebates they get from drug companies. Another bill mentioned at the rally would require medicaid-managed care plans to reimburse retail pharmacies in an amount equal to the "fee-for-service" rate.

<b>Synopsis:</b>	Ready to adjourn in Albany. Lawmakers wrap up the 2021 legislative session tomorrow, and it's still unclear whether Governor Cuomo will face any impeachment trial. GOP lawmakers have introduced a package of bills aimed at preventing "Cuomo-appointed" judges from acting as jurors at any impeachment trial. The governor is accused of covering up COVID deaths at nursing homes and faces sexual harassment allegations from several women who use to work for him.

<b>Synopsis:</b>	A Pennsylvania state senator from Lancaster says he's forming an exploratory committee to run for the Republican nomination for governor in 2022. Senator Scott Martin joins a crowded field that features former congressman Lou Barletta as the perceived GOP front runner. Martin is a second-term senator and former county commissioner who chairs the Education Committee. He'll spend the summer talking to people across the state, and then decide whether or not he wants to run. No democrats have joined the race yet.
