

Quarterly Issues/Programs List

Quarterly Issues/Programs List for Station WATX-AM, Hamden, Connecticut.

Fourth Quarter for October 1 – December 31, 2020

WATX has been silent since June 25, 2020.

Clark Media, LLC, acquired the WATX license on December 7, 2020.

Upon closing December 7, 2020, WATX had been off the air, since May, 2019, (with the exception of a two week resumption of air in June, 2020). Therefore, there were no programs.

It took several months to arrange for installation of equipment at a new, acceptable Hamden, CT. FCC tower site. The station returned to air with proper approvals on May 9, 2021.
